Keeping you safe and secure

ING takes the security of customers' transactions and information very seriously and are committed to protecting you against online fraud. If you use our Interactive Services (online, mobile or phone banking), please remember these security guidelines:

1. Ensure that your Access Code, Security Code and PIN are not disclosed to anyone.
2. Choose an Access Code that is difficult to guess. It should not be your date of birth, a part of your name, or consist of repeated, ascending or descending characters.
3. Avoid using computers that are shared with other unknown people for online banking, such as internet cafes and libraries.
4. If you record your Access Code, store it in a safe place, separate from your Client Number.
5. Use care to prevent anyone else seeing your Access Code or PIN when being entered.
6. ING will never send you an email asking you to click on a link to access online banking, or to provide your Access Code, Security Code or PIN.
7. Please check all transactions carefully. If you think there's been an error or unauthorised transaction, call us as soon as possible on 133 464.

These guidelines do not set out the circumstances in which you may be liable for unauthorised electronic transactions. Your liability for unauthorised electronic transactions will be determined under the ePayments Code (as reflected in your Terms and Conditions booklet).
