Clinician: S33(1)

Designation: RN Grade 5

Team: Werribee Mercy Hospital Consultation Liaison Psychiatry Service

Status:

ITTO

Referral received from inpatient psychiatry team to review above consumer currently admitted to ICU after serious attempt to self-harm with intent to end his life.

47 male longstanding history of schizophrenia, admitted due to increasing threats and plan to end his life on the b/g of injustices done to him through previous treatments under the MHA. Consumer has negative outlook towards MHS system. Ongoing paranoia and animosity towards all hospital staff especially psychiatric teams. Has history of being litigious through phone recording often without consent, using calculating behaviour in order to meet own needs and possible staff splitting. File review suggest Vape pen, shoe string was utilised and suicide letter was also found.

Brief discussion with ICU team who have advised that attempt was lethal and still requires surgical repair. Currently not medically cleared. Management plan in ICU notes for nurse to follow. Medication chart completed according to CMB med charts. Advised ICU to focus of containment and consistency in his management. Minimal negotiations around psychiatric management, follow management plan provided. Visitors are allowed by visitation must be supervised. Aim for swift medical clearance and is for transfer. Advised client will require ICA bed given risk of repeating self-harm or suicide.

S33(1)

Richard lying in bed was fast asleep and was easily woken up. All three clinicians introduced ourselves and Richard agreeable to engage. Richard able to recall and understand why he was brought into ICU. Showed insight into his action however remains to be supportive of this. Richard reported he thought this was the only way 'out of that place'. He reported feeling locked up. He referred to himself as being 'jailed'.

Richard acknowledged concerns from community regarding his plan to end his life on his Bday hence admission was warranted to prevent this. Richard abruptly stopped the assessment and asked all 3 clinicians credentials again. This was given again to him. Richard refused to talk any further as he felt that CL team were recording. Referred to CL team as 'Part of the system'. CL team provided some further information around role and reason for review today in order to ease anxiety and confusion,

A duty of care was broken to me.

I now have a lawyer and about to sue them or achieve a settlement and additionally achieve justice for the following issues:

Currently, I am on the run from authorities including the police and the crisis team in Victoria but have made it into NSW.

I am an innocent man. I currently have no health care, I have no help, not a person in the world. I cant go to authorities or police I am under investigation and on the radar of ASIO and others.

I will be incarcerated award of the state and possibly jailed permanently in an institution.

I immediately need to claim refuge.

I am a failed whistleblower at ASIC APRA APRA and The Commonwealth Ombudsman.

Every financial issue I have is pointless because I am banned at AFCA.

I am also banned at work safe.

WHAT I AM OWED:

I am owed work cover immediately. They say I am not an 'employee' for puposes of the workcover but here ism Government login at Department of Social Security and NDIS:

I am owed HCF income assist immediately because I had cover at the time I became unwell from work (19th Jan 2021)

I am owed my NAVA premiums of injury and illness cover immediately.

I am owed from the child sexual abuse royal commission immediately.

I am within my rights to sue the Werribee Mercy hospital for abandonment of duty of care for the illegal contraband I used to sever my artery and bleed out - and suffered the 'fatal' injury. Evidence attached

I am owed a legal fair and equitable settlement from former partner Steve iasonidis - a former ASIO employee.

Here is the undeniable evidence of me giving him the engagement ring in 2011: (we were engaged to be married for five years)

It is within my rights to sue Micron21 for destroying my online business.

I am owed money from the NDIS.

Victory is near but I am also under threat of being incarcerated against my will and locked up forever.

It is true I have schizophrenia and ADHD and adjustment disorder anxiety and depression.

Here is a book I wrote that got a human rights award and sane australia's book of the year on my experience with schizophrenia. It is well known I hear voices and get paranoid that makes it evil to exploit that in me systemically.

That does NOT exclude a conspiracy happening - only that it is more abhorrent I be demonised in this way.

This has been TORTURE for me.

The conspiracy knows no limits in order to destroy me and finish me off.

If you help today - I will offer you 2 x the 'investment' for caring for me.

I am a human being and I have a PhD - ethics means todo no harm but it is withed and actioned upon me.

I have spoken all over this country and inside the parliament to montreal Dubbo Warnambool Sydney Canberra and Melbourne and hundreds of community groups and people.

Thats because I care.

When justice arrives I will still help people as detailed on www.barrandodger.com

And I will forgive ally oppressors.

Until then my hunger strike posted on www.barrandodger.com is null and void - I am in fight of my life.

...and I mean no harm.

Barran.
