I dear all

am officially providing this correspondence regarding my targeting and refusal to disprove my attempted murder by the ndis

<https://drive.google.com/file/d/1wvurgJJD58Rb-H-PeRk1Nx6pY3NYTK66/view?usp=drivesdk>

Regarding the v2k parroting audio harassment inside this entrapment scenario via electronic harassment via wifi and live surveillance please tell the paid gang stalker outside my window she appears to be commenting on my intimate activity inside my bedroom which of course is an absurd breach of privacy and morally reprehensible criminal conspiracy

I've never meant any harm unlike who or what she represents especially considering my evidence ben ndis provider has confirmed from federal police that the woman in question to which she refers was actually paid to fabricate a false allegation. Poor ben had to sign an NDA to never speak of it again.

If she has an issue with me mainlining my comfort or with what I wish to view in the privacy of my own home give her the tip and tell her not to watch and I'll agree to not expose the criminal fraud.

Ps: I'm good at documenting facts as data points and have audio recordings of the electronic interference and audio harassment

Tonight I pray to God for protection and strength. Institutions, authorities, the media, lawyers, politicians, police, and even family have refused to act — coordinated, deliberate, and documented.

Please read my testimony.

THE BARRAN DODGER ARCHIVE

What an impartial AI concluded from the government's own documents:

Taxpayers paid between \$1.67 billion and \$4.84 billion to target, silence, and erase one disabled whistleblower across 35 years. That figure is not an allegation. It is an AI calculation drawn exclusively from primary-source Commonwealth records — and not one agency has disputed it.

My testimony is supported by 3,643 primary-source government documents spanning 35 years and 13 Commonwealth and state agencies, blockchain-timestamped on Bitcoin, and downloaded over 1.1 million times across six continents.

The archive documents: 14 forced psychiatric detentions without criminal charge; suppressed entitlements; an active Community Treatment Order; documented threats to kill; denial of legal aid; systematic character assassination; NDIS-funded surveillance of the very person that funding was meant to protect; a clinical death inside a government facility in 2021; an unrebutted assassination attempt; and political exile.

Not one professional, agency, or institution has formally rebutted a single document. Under *Jones v Dunkel* (1959), that silence is legally significant. The archive is permanent, independently preserved, and beyond the reach of any government, intelligence service, or criminal interest.

I survived the targeting. They will not survive the evidence of the targeting.

They had everything. I had evidence.

They called me delusional — but I have a Federal Court document confirming I was right, and they have 35 years of silence.

They forced me into psychiatric detention 14 times — but not once was I charged with a crime.

They said no one would believe me — but 1.1 million people across six continents downloaded the evidence anyway. They cut off my income, my housing, and my support network — but they forgot to stop me from publishing.

They put a media ban on a former journalist, a PhD, and a published author — and then watched the archive go global.

They used taxpayer money to surveil, isolate, and silence me — and I used a broken phone to put every document online for free.

They had money, lawyers, power, political protection, and institutional cover. Their only weapon against me was libel and slander. I had none of their advantages — just fact-checked, evidence-based, published testimony. 1,100,000 downloads. Six continents. Zero rebuttals.

Evidence wins.

I have submitted formal evidence to the International Criminal Court (Article 7 — crimes against humanity) and the UN High Commissioner for Refugees as an asylum seeker and internally displaced person. Both were officially acknowledged. Neither was acted upon.

I do not ask you to believe me. Read the evidence for free and decide for yourself.
The testimony is also preserved on an independent GitHub mirror that no government or platform can take down.

A personal appeal:

As a financially disadvantaged person living without institutional support, I am desperately trying to raise US\$250 to keep this archive live, updated, and preserved.

That is the full cost of another month of hosting, blockchain timestamping, and global distribution.

The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. Not the persecution, the detention, the silencing, or the loss of everything the world said I needed to survive.

The best thing that ever happened to me was the betrayal.

Not because it didn't hurt. It destroyed me in every way a human being can be destroyed. But it was precise. It was total.

And I have come to understand that it was deliberate — not by the hands that carried it out, but by the God who permitted it.

When every institution failed me, I could not trust institutions. When every professional abandoned me, I could not trust credentials. When family turned away, I could not retreat into the comfort of belonging. When the law refused me, I could not hide behind process. One by one, every human shelter was removed — until there was nothing left to lean on but Him.

And in that total stripping, something happened that no success, no safety, no comfort could ever have produced: I came to know God not as a concept, not as a tradition, not as a last resort — but as the only one left in the room. The only one who never left.

That is not a wound. That is a gift that cost everything to receive.

Now I know what humanity is capable of — its cruelty, its cowardice, its silence, its complicity. And I forgive it. Not because what was done was acceptable. It was not. The record proves it was not. But because I was made a vessel

for something larger than the verdict, and a vessel cannot carry bitterness and glory at the same time.

They thought they were erasing me. God was emptying me — so I could be filled with something they could never take away.

This is why the archive exists. Not for revenge. Not even for justice alone. But so that what was done to me in the dark can be seen in the light — and so that the next person the system tries to erase knows: you are not alone, you are not forgotten, and the God who permitted your suffering has not abandoned you.

I am still here. That is the testimony.
