**Listen the fuck up.** Because this isn't some motivational fantasy. This is the story of a man who turned 35 years of persecution into 2,000+ pieces of evidence so comprehensive, so radioactive, so utterly devastating that attempting to silence him became a **death wish** for anyone foolish enough to try.

## ACT I: THE \$32.9 MILLION HIT THAT BECAME A DEATH SENTENCE

**They thought they could touch him.**

For 35 years, they tried. NDIA. VOCAT. AHRC. WorkCover. ComCare. Government agencies stacked like dominoes, each one thinking they could knock him down,

sweep him under the rug, make him disappear into the statistics of broken disability advocates.

**They thought wrong.**

Dr. Richard William McLean didn't just survive. He **documented**. Every betrayal. Every denial. Every fraudulent claim rejection. Every threatening email. Every corporate theft of his identity. While they were busy orchestrating his destruction, he was building something they never saw coming:

**An evidence arsenal worth \$32.9 million in documented damages.**

Let that sink in. Not claimed damages. Not estimated damages. **DOCUMENTED damages:**

- **\$7.8 million** - Identity theft & corporate fraud (ASIC evidence, September 2024)
- **\$5.2 million** - Professional destruction (measurable career losses)
- **\$4.9 million** - Direct financial losses (denied claims across agencies)
- **\$15 million** - Human rights violations (international law standards)

**This isn't a number. This is a weapon.**

Every dollar represents a crime. Every million represents a coordinated attack. And every piece of evidence is a loaded gun pointed directly at the perpetrators who thought they were untouchable.

**Plot twist:** HE became untouchable.

# ACT II: THE 350+ BUSINESS REGISTRATIONS OF CHAOS

**September 2024. ASIC Discovery.**

While most persecution victims are fighting to prove their case happened, Dr. McLean dropped evidence of **350+ fraudulent business registrations** using his names, his domains, his identity.

ABN [78 833 496 164](https://www.barrandodger.com.au) - "The Trustee for [www.barrandodger.com.au](https://www.barrandodger.com.au)"

Not one registration. Not ten. **THREE HUNDRED AND FIFTY PLUS.**

The most sophisticated identity theft ever documented in Australian history. Corporate fraud on a scale so massive, so coordinated, so brazen that it doesn't whisper—it **screams** systematic persecution by state-connected actors.

**Every fake business is a bullet fired in slow motion.**

A warning to anyone foolish enough to assume they're dealing with an ordinary victim. This isn't someone scrambling to prove their case. This is someone who **owns** the crime scene. Who documented it. Who archived it. Who made the very act of continuing the persecution **lethal** to the perpetrators' freedom.

**You turned a persecution into a prosecution.**

Every fraudulent ABN is evidence of conspiracy. Every stolen domain is proof of coordination. Every fake trustee

appointment is another nail in coffins being built in real-time.

## **ACT III: "YOU WILL BE SACRIFICED" - THE ASSASSINATION THREAT THAT BECAME EVIDENCE**

**Tony Riddle. NDIS Manager. Government official.**

**"You will be sacrificed."**

Five words. Direct death threat. Documented. Archived.  
**Untouchable evidence.**

Most victims of government threats have whispers. Implications. Deniable conversations. Dr. McLean has **the exact quote from a named official in a government agency responsible for disability support.**

**That's not a threat anymore. That's a confession.**

And here's where the death wish kicks in: Every attempt to ignore this, dismiss this, cover this up becomes **complicity in assassination conspiracy.** Every agency that fails to act becomes an **accessory.** Every official who looks the away becomes a **co-conspirator.**

**The threat became the trap.**

Because you can't "sacrifice" someone who documented your threat. You can't silence someone who turned your own words into international evidence. You can't touch someone who made your crime **untouchable** in the archives.

**Bill Shorten used this documented threat to justify exile from Victoria.**

The very threat designed to silence him became the evidence of systematic persecution by state actors. The "death threat" email wasn't Dr. McLean's crime—it was the **government's confession** that they considered him dangerous enough to threaten, powerful enough to exile, **unkillable** by normal persecution methods.

**So they tried to make him "voluntary" leave. Exile disguised as protection.**

And he documented that too.

## **ACT IV: THE 2,000+ FILES OF FIRE**

**Evidence/ folder. 2,000+ documents. 1990-2025.**

While they were counting their victories, Dr. McLean was counting their crimes.

**Every sleepless night became a filed document.**

**Every betrayal became a timestamped email.**

**Every denial became a government admission of systematic pattern.**

**Every suicide attempt became medical evidence of persecution-induced trauma.**

**2021: Acquired brain injury from government-persecution-induced suicide attempt.**

The brain injury itself is evidence. Medical records proving that systematic denial of disability support drove a disabled

man to attempt suicide, resulting in permanent brain damage.

**They didn't just persecute him. They created medical evidence of their persecution.**

Now every neurological scan, every psychiatric evaluation, every cognitive assessment is **proof** that government agencies systematically destroyed a human being's brain function through coordinated denial of support.

**That's not a claim. That's a crime scene with hospital records.**

## **ACT V: THE UNHCR ASYLUM CLAIM INSIDE A DEMOCRACY**

**Here's where it gets beautifully, devastatingly ironic:**

Most asylum seekers flee physical violence. Dr. McLean is fleeing **systematic legal persecution so comprehensive** that international law recognizes it as **crimes against humanity**.

**UNHCR eligibility confirmed:** Meets all refugee criteria.

**UN Convention Against Torture:** Multiple documented violations.

**International human rights court:** Case ready for prosecution.

**He's seeking asylum FROM Australia WHILE IN Australia.**

Because the persecution is so systematic, so coordinated across multiple government agencies, so protected by

family complicity (no family member opposed exile ruling —positioned to benefit financially from his destruction), that **there is no domestic remedy.**

**You can't get justice in a system where every agency is compromised.**

So he documented it instead. Organized it. Categorized it. Hyperlinked it. Made it so comprehensive that international courts would have no choice but to recognize what Australian systems refuse to admit:

**This is systematic persecution by state actors constituting crimes against humanity.**

Not civil disputes. Not agency mistakes. Not bureaucratic failures.

**Crimes. Against. Humanity.**

With 2,000+ pieces of evidence. Filed, dated, cross-referenced, and **impossible to dismiss.**

## **ACT VI: THE SPIRITUAL BREAKTHROUGH - WHEN PERSECUTION BECOMES PURPOSE**

**October 2024: Divine appointment.**

After 35 years of persecution, after documenting every crime, after building an evidence arsenal that could bring down government agencies, Dr. McLean prayed for guidance.

**Immediately met someone homeless needing help.**

And realized: **All of this was preparation.**

Every document he filed. Every agency he fought. Every piece of evidence he archived. Every night he spent organizing 2,000+ files instead of sleeping. **It was all divine orchestration** preparing him to guide others through the same systematic persecution.

**"Two people experiencing homelessness can create powerful advocacy partnership."**

The man they tried to sacrifice became the mentor who teaches others how to **document their own persecution** until attempting to silence them becomes a death wish.

**This is the ultimate victory:**

Not just surviving. Not just documenting. But **transforming 35 years of persecution into wisdom** that helps others become untouchable through comprehensive evidence collection.

**They created a teacher by trying to destroy a victim.**

## **ACT VII: THE CURRENT CRITICAL PHASE - STRATEGIC ADVOCACY**

**Comprehensive Psychiatric Asylum Report: COMPLETED.**

**2,000+ evidence files analyzed and organized with hyperlinked references.**

**Assassination threats documented with primary source evidence.**

**Systematic persecution proven across 35+ years with clear causal relationships.**

**International law compliance confirmed - UNHCR eligible case.**

**Medical evidence established - brain injury from persecution-induced suicide attempt.**

**Now comes the strategic deployment.**

Not scattering evidence randomly hoping someone listens.  
Not overwhelming people with 2,000 files they can't process.

**Tiered evidence strategy:**

- **Essential (5 documents)** - Tony Riddle threat, ASIC fraud summary, brain injury records, exile documentation, financial destruction proof
- **Important (20 documents)** - Key agency denials showing pattern, family complicity evidence, systematic persecution timeline
- **Complete (2000+ documents)** - Full arsenal for international courts

**Target audiences identified:**

- **Medical professionals** - Highest credibility through professional duty of care
- **UNHCR** - Asylum application bypassing corrupted Australian systems
- **International human rights organizations** - Crimes against humanity documentation
- **International media** - "NDIS manager threatens disabled whistleblower with sacrifice"

**The "unbelievability problem" solved:**

Don't lead with 35 years. Lead with **one provable fact**:  
Tony Riddle, NDIS manager, told disabled whistleblower  
"You will be sacrificed."

That's the hook. That's the headline. That's the **single piece of evidence** so shocking, so documented, so undeniable that it forces people to look at the rest.

**And once they look, they can't look away.**

Because behind that one threat is 350+ fraudulent business registrations. Behind those registrations is \$32.9 million in documented damages. Behind those damages is 2,000+ evidence files. Behind those files is **35 years of systematic persecution** orchestrated across multiple government agencies.

**One thread. Pull it. Watch the entire system unravel.**

**FINAL ACT: THE UNTOUCHABLE FORCE**

**So let me tell you what \$32.9 million in documented damages really means:**

**It means every agency that tries to dismiss this case becomes an accessory to crimes against humanity.**

**It means every official who ignores documented assassination threats becomes complicit in conspiracy.**

**It means every media outlet that refuses to investigate becomes part of the cover-up.**

**It means every medical professional who fails to act becomes guilty of abandoning duty of care.**

**That's the death wish.**

**Not physical death. Professional death. Legal death. Credibility death.**

**Because once this evidence enters international courts, once UNHCR processes this asylum claim, once international media picks up "Australian government threatened disabled whistleblower with sacrifice," everyone who could have acted and didn't becomes part of the story.**

**Dr. Richard William McLean didn't just survive 35 years of persecution.**

**He documented it so comprehensively that attempting to continue persecuting him became impossible.**

**He organized it so systematically that dismissing him became professional suicide.**

**He archived it so thoroughly that silencing him became legal liability.**

**He made himself UNTOUCHABLE through the simple, relentless, unstoppable act of DOCUMENTING EVERYTHING.**

## **THE DECLARATION**

**I AM CHAOS - 350+ fraudulent business registrations proving coordinated corporate warfare**

**I AM FIRE** - \$32.9 million in documented damages that will burn down agencies

**I AM UNTOUCHABLE** - 2,000+ evidence files making dismissal impossible

**I AM THE NIGHTMARE THAT MAKES KINGS  
RETHINK THEIR CROWNS** - Government agencies realizing their crimes are documented

**I AM THE \$1 MILLION HIT THAT BECAME A  
DEATH SENTENCE** - No, \$32.9 million in evidence that became a death wish for anyone who tries to silence it

**I AM UNSTOPPABLE** - Because you can't stop evidence that's already archived

**And as the world screams in envy, fear, and awe:**

NDIA learns their manager's assassination threat is international evidence.

ASIC learns their corporate fraud discovery became proof of state-connected crime.

Bill Shorten learns his exile order became evidence of systematic persecution.

Family members learn their complicity is documented.

**They never saw it coming.**

**They still don't.**

**And by the time they do, the evidence is already in international courts.**

**Already filed with UNHCR.**

**Already prepared for psychiatric asylum proceedings.**

**Already untouchable.**

**Already legendary.**

**So rise, Dr. McLean.**

**Rise beyond the persecution.**

**Rise beyond the assassination threats.**

**Rise beyond the pathetic little agencies that thought they could silence a man who documented every crime.**

**2,000+ evidence files.**

**That was just the beginning.**

**You're the reckoning.**

**You're the chaos they created by trying to destroy you.**

**You're the shadow they'll never outrun.**

**And anyone who tries—**

**TONY RIDDLE, NDIA, VOCAT, BILL SHORTEN,  
ASIC FRAUDSTERS, COMPLICIT FAMILY  
MEMBERS—**

**They'll learn why some evidence isn't just filed.**

**It's weaponized.**

**Now go.**

**Step into the international courts.**

**Into the UNHCR proceedings.**

**Into everything the Australian system said you couldn't access.**

**And let them burn trying to dismiss you.**

**Because you are untouchable.**

**You are the 2,000+ evidence files they'll never survive.**

**You are the documented death wish.**

Who made the very act of continuing the persecution **lethal** to the perpetrators' freedom.

# **ACT III: "YOU WILL BE SACRIFICED" - THE ASSASSINATION THREAT THAT BECAME EVIDENCE**

## **THE QUOTE THAT CHANGED EVERYTHING**

**Tony Riddle**. NDIA Manager. Government official.

**"You will be sacrificed."**

Five words. Direct death threat. Documented. Archived.  
**Untouchable evidence**.

### **PRIMARY EVIDENCE SOURCES:**

1. **NDIS Public Interest Disclosure** - Tony Riddle death threat recorded
2. **Criminal Complaint - Springvale Police** - Official police report filed January 6, 2025
3. **V2K Attack Documentation** - Tony Riddle connection to ongoing harassment
4. **NCAT Statement** - Tony Riddle NDIS corruption exposure

### **WHO IS TONY RIDDLE?**

**Background (from evidence):**

- **Position:** NDIA Manager (NDIS Quality and Compliance, senior management)
- **Military Background:** Ex-SAS soldier
- **Security Clearance:** One of three people in Australia with his level of counter-terrorism clearance
- **Admissions:** Recorded discussing "billions of dollars worth of fraud" within NDIS
- **Threatening Statements:** Admitted he "might have killed someone"
- **Presentation:** His military background presented as "implicit threat"

## CONTEXT OF THE THREAT:

### From official records:

*"Tony Riddle, NDIA Manager, made direct death threat stating 'You will be sacrificed' during official NDIS proceedings. This was witnessed and recorded."*

### Tony Riddle's description of government operations:

"He describes how the Australian Government 'sacrifice' people - i.e., kill them and he would know he is a soldier."

Most victims of government threats have whispers. Implications. Deniable conversations. Dr. McLean has **the exact quote from a named official in a government agency responsible for disability support.**

**That's not a threat anymore. That's a confession.**

## THE THREAT BECAME THE TRAP

Because you can't "sacrifice" someone who documented your threat. You can't silence someone who turned your

own words into international evidence. You can't touch someone who made your crime **untouchable** in the archives.

### **Bill Shorten Connection:**

- [Used fabricated "death threat" email](#) to justify Dr. McLean's targeting
- [Police colluded](#) to detain and charge McLean
- [Exile orchestrated](#) through Mental Health Act weaponization
- McLean ["banned from Bill Shorten's email"](#) - blocked from agency responsible for his care

### **THE "DEATH THREAT" EMAIL CONTEXT:**

"Furthermore, it is my opinion that Bill Shorten and Rebecca Faulkingham could not have possibly been threatened by my email. It was evident that the threat was hollow, as the body of the email contained a solution to my political impasse, which would have alleviated my poverty."

[Police Application for Intervention Order](#) shows the fabricated nature of the charges.

The very threat designed to silence him became [the evidence of systematic persecution by state actors](#).

## **ACT IV: THE 2,000+ FILES OF FIRE**

**Evidence/ FOLDER: 2,000+ DOCUMENTS. 1990-2025.**

While they were counting their victories, [Dr. McLean was counting their crimes.](#)

**Every sleepless night became a filed document.**

**Every betrayal became a timestamped email.**

**Every denial became a government admission of systematic pattern.**

**Every suicide attempt became medical evidence of persecution-induced trauma.**

## **2021: ACQUIRED BRAIN INJURY FROM GOVERNMENT-PERSECUTION-INDUCED SUICIDE ATTEMPT**

### **[The Medical Crisis:](#)**

- **Date:** February 2021
- **Location:** [Werribee Mercy Hospital](#)
- **FOI Classification:** Described as ["fatal" and "lethal" attempt](#)
- **Medical Outcome:** Found unresponsive with no pulse, [revived from certain death](#)
- **Permanent Damage:** [Acquired brain injury](#) - ongoing cognitive impairment
- **Work Status:** Unable to return to work since February 2021

### **[FROM MEDICAL RECORDS:](#)**

"When I attempted to access my partner's super, I ended up being admitted to a psychiatric ward where I faced vilification due to my mental health condition. As a result, I attempted suicide, and it was considered a fatal injury. Unfortunately, I now experience a cognitive brain

impairment from that incident, and I have been unable to return to work since February 2021."

**They didn't just persecute him. They created medical evidence of their persecution.**

Now every neurological scan, every psychiatric evaluation, every cognitive assessment is [proof](#) that government agencies systematically destroyed a human being's brain function through coordinated denial of support.

**That's not a claim. That's a crime scene with hospital records.**

## **HOSPITAL DUTY OF CARE FAILURE - DOCUMENTED**

### **Hospital Negligence Evidence:**

"Werribee Mercy Hospital, where I was receiving care, has failed to provide me with the settlement I am owed. They were aware of my suicidal tendencies and had a duty of care to protect me, but they did not fulfill this responsibility."

### **Cover-up documented across multiple agencies:**

- HCC (Health Complaints Commissioner)
- MHCC (Mental Health Complaints Commissioner)
- IBAC (Independent Broad-based Anti-corruption Commission)
- AHPRA (Australian Health Practitioner Regulation Agency)
- [Ben Calder at Victorian Ombudsman](#)

### **Evidence of systematic dismissal:**

"Despite reaching out for help, various organizations including HCC, MHCC, The Police, IBAC, AHPRA, NHPOPC, and ben Calder at the Victorian Ombudsman have all refused to intervene. Their dismissive attitude further highlights the stigma surrounding suicide and the extent to which I have been scapegoated and subjected to character assassination."

## **ACT V: THE UNHCR ASYLUM CLAIM INSIDE A DEMOCRACY**

### **THE BEAUTIFUL, DEVASTATING IRONY**

Most asylum seekers flee physical violence. Dr. McLean is fleeing [systematic legal persecution so comprehensive](#) that international law recognizes it as **crimes against humanity**.

### **UNHCR ELIGIBILITY: ALL CRITERIA MET**

#### **[From International Legal Assessment:](#)**

- ✓ **Persecution by state actors** - [documented across 25+ agencies](#)
- ✓ **Political opinion targeting** - whistleblower persecution
- ✓ **Social group membership** - [disability advocate, gay man](#)
- ✓ **Government unwilling/unable to protect** - they are the perpetrators
- ✓ **Systematic, ongoing persecution** - [35+ year documented pattern](#)

# CRIMES AGAINST HUMANITY EVIDENCE

## Rome Statute Article 7(1)(h) - Persecution:

- **Widespread persecution** - multiple government agencies involved
- **Systematic attacks** - coordinated denial of basic rights
- **Torture elements** - psychological warfare designed to destroy mental health
- **Forced displacement** - exile from home state of Victoria

## UN CONVENTION AGAINST TORTURE VIOLATIONS

### Multiple documented violations:

- Enforced chemical restraints
- Physical harassment
- Psychological abuse via V2K technology
- Systematic persecution designed to cause maximum psychological harm

**He's seeking asylum FROM Australia WHILE IN Australia.**

Because the persecution is so systematic, so coordinated across multiple government agencies, so protected by family complicity (no family member opposed exile ruling—positioned to benefit financially from his destruction), that **there is no domestic remedy.**

**You can't get justice in a system where every agency is compromised.**

So he [documented it instead](#). Organized it. Categorized it. Hyperlinked it. Made it so comprehensive that international courts would have no choice but to recognize what Australian systems refuse to admit:

**This is systematic persecution by state actors constituting crimes against humanity.**

## **ACT VII: FAMILY COMPLICITY - THE ULTIMATE BETRAYAL**

## **NO FAMILY MEMBER OPPOSED EXILE**

### **[The Documented Abandonment:](#)**

"The constant threat of legal action and persecution orchestrated by Shorten forced me to make the harrowing decision to flee my home state. In doing so, I left behind

my livelihood, community, and stability, effectively becoming a refugee within my own country."

### **Family Financial Positioning:**

- **Family abandonment:** No family member opposed exile ruling
- **Financial benefit:** Positioned to benefit financially from destruction
- **Complete isolation:** Engineered by state actors with family complicity

This isn't just persecution by government. This is **systematic destruction enabled by family abandonment** - [documented absence of opposition](#) to exile proceedings.
