Subject: URGENT TORTURE VICTIM – Australian Government Death Threats – ICC Case – Immediate International Protection Required

Dear [Recipient/Office],

I am Dr. Richard William McLean (aka Barran Dodger), an Australian citizen seeking immediate international protection. I face an active, ongoing campaign of torture and persecution by and through Australian state actors and associated agencies. This includes documented assassination threats, psychological torture (V2K), surveillance and vehicle sabotage, systematic financial destruction, and multi-agency obstruction spanning 35 years.

Why I'm writing to you now

- **Threat level: CRITICAL. An NDIA official (Tony Riddle) communicated a death threat: "You will be sacrificed."**

- **Ongoing torture: Persistent Voice-to-Skull (V2K) harassment delivering defamatory sexual accusations to socially isolate and terrorize me.**
- **Life-threatening surveillance: Documented vehicle brake sabotage and coordinated harassment.**
- **Systematic state persecution: At least 8+ agencies implicated across federal and state levels.**
- **Scale of damage: 2,048+ evidence files, \$32.9M+ AUD in documented financial harm.**
- **Asylum basis: Persecution on protected grounds (disability, sexual orientation, whistleblowing/political opinion), with state inability/unwillingness to protect.**

Legal basis for urgent intervention

- **UN Convention Against Torture: Articles 1, 2, 12, 14 (torture; duty to prevent/investigate; remedy/compensation).**
- **UN Refugee Convention: Article 1A(2) (well-founded fear); Article 33 (non-refoulement).**
- **ICC Rome Statute: Art. 7(1)(a) (murder/attempted), 7(1)(f) (torture), 7(1)(h) (persecution), 7(2)(g) (disability/sexual orientation).**
- **ICCPR: Articles 6, 7, 17, 19, 26 (life; cruel treatment; privacy; expression; equality).**

What I'm requesting

1. **Emergency intake and protective measures (UNHCR / OHCHR urgent action / diplomatic protection).**
2. **Registration of an urgent communication and interim measures to prevent irreparable harm.**
3. **Point-of-contact assignment and instructions for secure transfer of the full evidentiary record.**
