00:01:02.079 need one. I've got three. Can I please look my my What they've done is they've um
cancelled my bank
00:01:08.720 accounts now. So, um I'm being erased, David. Erased from society. Okay, this
00:01:13.760 is a fact. It's not it's not a fantasy. It's not in my head. I'm not mad. This is what
they're doing. Okay.
00:01:18.799 You can stay here. That's fine. I didn't know you It might have been my daughter. I
don't know.
00:01:24.960 I don't I don't feel I don't feel safe anywhere, David. I'm going to put on my thing
that I'm taking a I'm taking a
00:01:32.799 break. Right, David? This is what you say. I'm allowed to protect a whistleblower
when you
00:01:39.439 refuse to. Your your role is a protector. You've offered me asylum in
00:01:44.880 an internationally significant case. You are the main reason why I'm alive. That
00:01:50.399 is that is it. So, you don't have to answer the door to police. I want you to stay that
way. I can't be
00:01:55.600 alive if I'm in trapped people and I've got no freedom and no acknowledgement and
no money. Okay. I need money. That's
00:02:02.560 what I need. You said you'd give me money. Can I I've been I've been I've been
paying you money ever since you know and I'm still
00:02:07.840 happy to pay you money. Right. Would you be able to give me money so I can just
go into a hotel or a hostel or
00:02:13.760 something and just stay there? I'll be out of here. I'll communicate with you still. I
don't want to be here when the police arrive. I don't want to give them
00:02:19.840 the satisfaction of forcing me from this home because I'm trapped here and you're
gonna let them take me. David,
00:02:26.959 please just let me know because this guy doesn't know anything. He's been very
good. My my main people are turn it on
00:02:33.760 turn my my my hotspot into a pay as you go. I don't want that
00:02:39.760 at like David, you know exactly what you're doing. You're gaslighting the entire
situation. You're well aware of what's
00:02:46.400 happening. I'm not interested in your server. I'm not interested in Yeah, you can pat
the dog. Go and pat it. I'm not
00:02:52.160 interested in the server. I'm not interested in the phone. What I need is money,
David. That's what I need. And it is unlikely. It's very Can I just say
00:02:58.720 you let me speak? It's very unlikely that they they don't know where I am.
00:03:03.920 They know me at the shop. Your friends know you. You told them they know where I
am. They're coming. Okay. They've done it for years today. Do you want to move

00:03:11.360 today and with some cash? Yes, please. Can I move now? I'd rather just get out of here and go down to the

00:03:17.920 motor in at the end of the road. They said they'd have me and just if I as long as I can pay for the accommodation,

00:03:23.519 I'm safe there. I can close the door and they won't know where I am. Can you can you give me some cash so I can just go down there? I'll be out of your hair.

00:03:30.400 We're okay on signal, right? Yeah, we can talk. I said I'm not going to abandon you, David. I don't want to see your phone number

00:03:36.480 because that's right. It's only signal. Still sing. No, so I ain't got signal.

00:03:41.760 But th this is not a bad deal. Just listen in case. And And no, David. David, get it through your head.

00:03:48.000 Listen to me. I don't want a phone. I don't need one. I don't need one. Okay. Please accept.

00:03:53.519 That is a statement. A standalone statement. There's a phone here, a phone there, and a phone in my bag. And I've

00:03:59.200 got three connections. Okay. So, I'm between them all. We can talk on signal. No one knows. We don't need a burner

00:04:05.040 phone. You're safe. Okay. Now, I know you feel at risk by having me here. I'm giving you the option. If you if you've

00:04:10.959 offered me money, can you please just get me some so I can get out of here? You said I'd like you to keep till the end of the weekend. That's all.

00:04:17.759 Well, because that would be great. Be great. I can give you five grand. Okay. Well, yeah.

00:04:23.680 And you piss off. I wouldn't piss off. I'd be grateful for your help, David. And I've offered to pay it back with contracts with with

00:04:30.479 uming me because I've been I've been keeping the place tidy, doing the dishes, and and doing all sorts of

00:04:37.600 things. And the only uh professional thing I've asked is to help with things I don't understand because

00:04:42.960 that's all right. And I have helped you David. But you don't because so fast through the keys. I don't know what you

00:04:48.560 Well, if I haven't helped, just can you let I have now? Okay. We've gone a long way, right?

00:04:54.960 And I've got another It cost 300 million problem. But but but

00:05:01.120 it's un it's the the probability of them not knowing I'm here is is is is zilch

00:05:08.080 and they're on the Didn't you say that the cops rang you today? Yeah, they did. Do you want to hear the message? What did they What did they say?

00:05:16.320 I'll show I'll show you. Look,

00:05:21.360 it's a day. They called me on my old old phone number. Old phone number. Look, I'll show you. This is what they said. Look,

00:05:30.240 it's so shit. David 178. It's got a broken speaker like like

00:05:36.720 you know it doesn't work. Hang on with Here we go. Get Richard. I can't hear

00:05:42.960 what ring. Yeah. Look. Listen. You can't hear it because the phone's

00:05:48.240 broken. David, wait on this. I'll say what they said. Hang on. Yeah.

00:05:56.320 Good night, Richard. Just Christian from the police. I'll just give you a call back in about 5 minutes if you can answer. I just want to check up on you

00:06:02.720 and make sure you're all right. Thanks, mate. Make sure I'm all right. It's Chris from the police. He doesn't say his name. He doesn't say

00:06:08.800 his ID. He doesn't say where he's from. It's Chris from the police. Chris from the police. Look.

00:06:14.479 Good day, Richard. Just Christian from the police. I'll just give you a call back in about 5 minutes if you can answer. I just want to check up on you

00:06:20.800 and make sure you're all right. Thanks, mate. Wait. He wants to check. I'm all right. He can go and get fucked, you know.

00:06:25.919 So, what happened? You didn't answer it. No, it went to Message Bank. To where? Where's Message Bank? Message Bank.

00:06:32.000 That's the message. Oh, okay. Good. And uh and you'll put that in a backup for evidence or

00:06:37.520 whatever. Yeah. Is it Is it safe in our um secret thing?

00:06:43.680 What's it called? Yeah. Yeah. Yeah. They're pretending they don't know where we are. David, I explain to you.

00:06:49.039 Say you know exactly where I am. That's fine. So, we've got that. Um, if you disappointing because I was going

00:06:56.000 to get a burner phone that was Okay. Okay. I'll accept it. Buy me the burner phone. Buy it for me. Let's go.

00:07:04.560 Okay. Well, there's two. There's one that's the 13 um

00:07:11.199 Pro Max 128 uh uh 900. Now, I got to get this. It's prayer.

00:07:16.960 Wait, I get this. Wait on cuz Hello, prayer. Yeah. Yeah,

00:07:22.319 I rang and they said, "Who's your support coordinator?" They're the only ones who can contact ND.

00:07:29.120 Yeah, Suki Tia is the support coordinator. I'll give you her number. Can you Can you write the name and send

00:07:34.800 it to me and give me any number? Yeah, I'll give her all all of her details. Look, prayer, this is what's

00:07:40.240 happening. Suki Tia is an NDIA appointed coordinator. I've been homeless for 2

00:07:45.680 years, right? and and she's she's she's being paid to um to to exploit my plan,

00:07:52.319 pay herself, and pay all these other people who I don't even know who they are and and they're they're wasting the

00:07:58.000 plan to justify the money and they're keeping me homeless. I've sent her a legal cease and desist notice. She

00:08:04.319 refuses to be removed from my care. So, it's Suki that Yeah, I'll just give it to you now. She

00:08:10.240 will say, "Look, this has happened um for the last four providers I've been in contact with who put me in a home. She

00:08:17.280 refused to acknowledge them. I'm sorry. We don't acknowledge you as a provider and that means they can't get paid and

00:08:22.400 then that means they want to get rid of me." And that's what they do. So, it's not a case of um you've offered to help

00:08:28.400 me, right? It's not a case of if you can get the money from my NDIS plan. It's a case of another human being targeted by

00:08:35.039 the government over 30 years and I've literally died as a result. It's murder and they're still trying to murder me.

00:08:41.120 This is an egregious human rights violation and it's the International Criminal Court and it's the OHCR and

00:08:47.600 there are people watching me right now. So, and and so we can talk.

00:08:53.279 I'll have to get her free to talk to them. What's the number? Okay, I'll get you a number. Look, you

00:09:00.000 don't This is the thing. You don't need to talk to her. You know, she's she's been removed from my care, but she

00:09:05.839 refuses. NIS have appointed her. So, that's the one we got to deal with.

00:09:12.399 Yeah. Cuz you're all under the bureaucracy, the machinery of erasia. I've had my bank balances, my my my bank

00:09:19.680 accounts canled now. I've had my license canled. I don't have a home, an address. I don't have legal aid. I don't have

00:09:25.839 human rights. And I don't have possessions. I don't have income. I don't have money. I'm trapped everywhere

00:09:32.080 I go. Pray. I was trapped in your place when you were helping me. You were the one who forced me out into the street.

00:09:37.600 And now you come back at a convenient time when I'm just being basically more or less evicted out of here today and

00:09:44.160 harassed by the police. It's all a very strange coincidence, isn't it? This is a coordinated intelligent malicious attack

00:09:51.920 that is multi- agency and it's between people. Cops rang today. Cops ring today. Cops rang. Yeah, cops rang today. Cops

00:09:58.640 ringing me today. They just want to see if I'm okay. What fucking cunts? Fucking pigs. What's the number?

00:10:05.120 I don't know the number. She's been They've They've intercepted my phone and they've um removed the phone number from

00:10:11.279 my phone. When I get her email address, all my phones are intercepted. They're watching everything I do. They plant
00:10:17.440 evidence. They take my evidence away. It's a fucking joke. You know, I don't have anything. I've been erased as a
00:10:24.480 citizen of this democracy. and I worked for 30 years helping people prayer. I'm
00:10:29.760 more qualified than you. I've got more experience than you. And I would never ever if I was a provider leave a person
00:10:36.560 like me in this situation, you know, I would never do that.
00:10:43.200 Yeah. Well, here's here's a number and I'm looking it up. It's diversity. I'll get
00:10:48.399 send her and here you go. You're going to call her. Oh, hello. You're his support coordinator. You must be the
00:10:54.000 boss. And she goes to you. I'm sorry, he doesn't have that in his plan and we can't support him and we're not going to
00:10:59.600 acknowledge you. And you say to me, oh well, I'm sorry, you don't have that in your plan and I'm afraid I can't help.
00:11:05.040 And then that is exactly the case because you only came back in order to exploit me and be sent to the very
00:11:10.560 bureaucracy of the machinery that's erased me. I know what's happening. I'm not an idiot, you know.
00:11:18.240 So, I'm getting a number for you. You ready? Yeah. Wait a second. Yeah. Are you
00:11:24.480 acknowledging anything that I'm saying? Yes, I am. 04.
00:11:31.040 I'll call her myself. I'll put her on the Put her on the phone. When you speak to her, I want to when you call her, put
00:11:36.800 me on the phone. I want to speak to her. I won't be doing the call. My coordinator, you know her. Do you
00:11:42.480 remember her? She's gonna call who? Her pri. Yeah.
00:11:48.160 Yeah. She's gonna do the call. I'm not going to do the call. What's her pre I mean this guys this is
00:11:55.360 just Groundhog Day for me you know. Do you want to give her I'm I'm trying to find it. I mean you are an
00:12:02.160 intelligent girl. You can Google it. I gave you your name. You know I'm googling it now.
00:12:07.440 Is it It's not on the site. Wait on. Talk to Here it is. Talk to Pri the
00:12:13.839 Here it is. It's 042. Yeah. 859.
00:12:20.720 Yeah. 722. Okay. This is what they've done. They've
00:12:26.240 removed my SLS accommodation. They've instructed every single provider to never ever give me money. That is a
00:12:32.480 fact. They've blocked um my rights. They've blocked my marriage settlement. They've blocked my work cover. It's a
00:12:38.959 conspiracy. That is what this is. by you even agreeing to to to get your person
00:12:45.440 to call her is the very machinery of my persecution because when you ring them
00:12:51.839 up she's going to say I'm sorry he hasn't got funds for that and your heart's going to call you and she's going to I'm sorry we can't help him you
00:12:58.480 know he's too much of a burden he's too much hassle he doesn't have the funding he could expose us you know and that's
00:13:05.279 the way this works you know how long have you been without funding.
00:13:13.839 How long have I been without funding? You have funding or not?
00:13:18.880 I don't see a single scent from my entire NDIS plan ever. I don't have a
00:13:24.399 single service. Not healthcare, psychologist, psychiatrist, GP. I don't
00:13:29.519 have a lawyer. I don't have legal aid. I don't have drug and alcohol. I don't have a financial counselor. I don't have a home. I don't have food. I don't have
00:13:36.000 medicine. I don't have fucking anything. and she pays herself in order to to
00:13:41.519 sustain this situation. It's a fucking disgrace.
00:13:47.040 Okay, let me try and find out what's happening. I'll tell you what's happening. I sent you the email. I've provided a fact
00:13:53.760 checked evidence-based um academic fortified with links to relevant legislation and all the facts
00:14:00.959 testimony and I sent it to you. You know what's happening. Don't deny that you
00:14:06.320 haven't received that file. You know what's happening. You're well aware of the situation and I'm well aware of

00:14:12.320 you're being instructed to Has she got Has she got the the note? Has she got it? I'll call her PR now. Wait on. I'll call

00:14:18.800 Pre now. I got his number. Okay. Bye. Wait. No. No. I'm keeping you on the phone.

00:14:25.120 Wait. Stay there. She's busy with her baby. She had a baby. Oh, yeah. We're all having babies. Well,

00:14:30.720 I'm glad you've all got the prosperity to have houses and think about creating new humans when I'm just here trying to,

00:14:35.920 you know, find enough to eat for me and my dog. It's a really, really absurd comparison, don't you think?

00:14:44.880 You got partners and houses and having babies are celebrating life. Let's bring a new life into the world. Why don't you

00:14:50.560 look after the lives that are here? You know, I mean, it's your job. It's your job to look after the disabled people.

00:14:56.320 Richard, relax, Richard. I will talk to you later. Let me find out what's going on. No.

00:15:01.440 Can you hang on? Wait. Wait. Just let me try and call an hour. Wait on. Heartbreak. Wait on. Heartbreak.

00:15:08.320 Don't Don't sit down. Don't say Wait there. Wait there. I'm calling it. Sit down.

00:15:13.440 Look, this is what they do. Oh, she's busy. She can't talk right now outside of our

00:15:19.199 You talk to me as well. You're my carer.

00:15:30.480 Hello. Hello. Um, this is Baron Dodger. Um, um,

00:15:36.560 prayer said that you were going to speak to me and speak to Suki to you, my support coordinator, but I'm just You didn't answer the phone.

00:15:42.480 Okay. She just tried. Why is this so hard for me?

00:15:48.480 Why? It takes some time. Richard, you got to be patient. We don't know who she is. We How many years? I've got to be patient.

00:15:55.440 Prayer. You're the one who entrapped me in a place where I was being harassed and surveiled and then you forced me out

00:16:00.880 onto the street. Prayer is not there. This is prayer. She's the I'm not the only one.

00:16:06.800 Oh, you're not the only one who's treated me disgracefully. Everyone else does it, too. You know what? You're right.

00:16:13.360 When you calm down, you can talk. I've got my I've got my carer here. You

00:16:18.560 want to speak to him? He's here next to me. You just said you didn't have any stuff.

00:16:23.680 I don't have any stuff. I'm squatting in someone's house who took me in cuz I begged him cuz no one else would help

00:16:29.759 me. How do you become your carer?

00:16:35.120 He's allowed me to stay in his house where I'm sleep on the I'm sleeping on the couch.

00:16:42.800 Okay. How did he become my carer? What business is it of yours? You were my carer and you pushed me to the street.

00:16:49.600 Now here he is here. He can talk to you. Put you got to talk right into the corner of it. And it's going flat as

00:16:55.519 well. Phone. Yeah, I want to replace that. Yeah, just talk to it. Hello.

00:17:00.560 Hello. Who am I talking to? I heard good things about you that

00:17:12.559 sleeping on my lash.

00:17:20.400 It's about me, David.

00:17:47.360 And

00:18:06.080 you

00:18:11.600 that up for some time and he's already had a a policeman ring me wanting to

00:18:16.880 check on him but then there's no offer you know it's not

00:18:23.520 sorry about don't tell him where I am tell where I am she'll tell them

00:18:29.280 sorry no like you can roughly say where is he I'm in Adelaide

00:18:34.320 roughly what Adelaide He he's been moving around Australia trying to find something. He

00:18:40.000 was in Western a New South Wales. I've got so much boring stuff that it's

00:18:45.200 unreal. But um um boring stuff, but it it's it's got to a stage it's

00:18:51.200 ridiculous because um I don't want to be messing up my reputation or anything.

00:18:56.480 And I'm doing the right thing. That's what you're supposed to do. David's been amazing. He accepted me

00:19:01.520 into his home as a kind gesture from a stranger that saved my life. my address or anything. And he's using his own

00:19:07.360 phone. He's not using my computers. He's not using my resources. She's not interrogating her. Just tell
00:19:13.360 her about me. Telling her that I'm doing the best as as a human person. And uh um um it's
00:19:20.559 been great. Right. So, so, so we we we've both got we've both got very good technical things and
00:19:27.840 we we're trying to to fix things up to That's You're going garbled. Okay, prayer, you
00:19:34.960 still hang on. Prayer, can I speak to you again? Just put it back on. No, I'll
00:19:40.960 finish your conversation and I will go and go and have something to Can you ask what she's doing to help me
00:19:47.120 cuz she's going to get me a house? What? Can you get a house in in South Australia for him?
00:19:53.840 I would have to see. I don't even know his coordinator. I would have to talk to them. I have no idea.
00:19:59.120 Well, I haven't seen them for a couple of years. Well, that's right. He hasn't seen any help for for for decades.
00:20:06.400 Yeah. Right now, I don't know what what's the truth and what isn't. And and I tend to believe him because I've seen this
00:20:13.200 before. It's terrible. Right. And uh um we we just don't know why
00:20:19.360 suddenly we we've got it because I introduced him to some friends of mine and I got a funny idea that that they
00:20:26.559 dobbed him in. So I don't know what's going on. I'm not a criminal prayer, you know. I'm not a criminal. If I was a criminal, I'd
00:20:33.200 be in jail. Yeah. They're criminal. It's criminal. What's happening to me? And you don't have to.
00:20:43.840 Okay. Now, is it just a minute? I'll hand you back. Carry on how he wants to.
00:20:50.799 Yeah. Pria, just stay there for a minute. Thank you, Pria. And and and and keep keep up the good work. Okay.
00:20:57.760 Okay. Hang on. Count. Thanks. Thanks, Pria. Um,
00:21:03.760 I got to call you back. Someone's at my house. Yeah. Well, um, this is a real
00:21:08.880 emergency, you know. Coordinator. Pardon? We try to call her and see what's
00:21:14.080 happening. There's no try and call her. You just call her and you email her and you say, "She didn't answer. I just tried. She
00:21:20.320 didn't answer." Because they're already aware that you're going to call her. This is a coordinated conspiracy. They're
00:21:26.640 monitoring my phone, everything. When will she ring back? We're talking when will you ring back? 8:00. No recall.
00:21:31.919 And and if and if and if she doesn't approve you and you can't get money from my plan, are you still going to leave me
00:21:38.559 like this? I have no idea what's going on at the moment. I have no idea.
00:21:44.080 You have every idea. I sent you the entire academic essay. Please read it. Yeah. If you refuse to help me because
00:21:50.480 Suki will predictively say that she has no funding and I'm not approved for that, it just goes to show that you've
00:21:57.760 only called up at this time to try and put me somewhere cuz cuz it's a cash cow
00:22:03.039 because you've got a baby or whatever. You can't even if you haven't got the money, you can't leave a disabled person like this. It's your responsibility to
00:22:09.919 care for me. Even if you don't get funding once I know something, I'll let you know. Okay.
00:22:17.919 Someone's at my door. Okay. When are you going to call back? I need I need you to call back, please. I need an update each day from now on.
00:22:25.200 No, not soon. Will you call back today? Yes, I will try my best. Before when? Yeah, David would like to
00:22:33.520 know. Yeah, today later today.
00:22:39.360 Please confirm accommodation for me. I I'm homeless, you know.
00:22:44.559 Sorry. Give an update every day. Well, see what I mean. It's just corruption to the
00:22:50.240 old an update every day. You got a record on. Are they still talking?
00:22:56.080 No. No. She She came into the fro at exactly the time that the police rang
00:23:02.000 that you told your friends and that they're harassing me. And then you don't want to implicate yourself in any way

00:23:07.280 cuz you don't want you you don't want any flies on your back. So, you kind of want me gone. No, I don't.

00:23:12.480 Okay. All right. Well, I get that feeling, David. Of course you do because you treat everyone like the enemy eventually and you've been doing that quite a bit and I'm not using you except that I want to

00:23:23.760 get my thing going and I clean up after you and everything right and I've expressed gratitude every day.

00:23:30.159 Is not enough. It's not enough. Is money enough? Is data enough? Is my information enough? I've offered you all of it, David.

00:23:36.320 Just tidy up when you do it. we do things and and uh um we'll have our

00:23:41.679 sessions as as agreed and we'll just do it and we'll do it in the middle as I said we'll make two list out of what

00:23:47.679 we're going to do right do you know what entrapment means I know what entrapment means and if you

00:23:53.440 think you're a trap you're not paying anything I'm paying you I'm going to pay you millions of dollars

00:24:01.039 David no I don't care well if you don't want the money can you give me some so I can go

00:24:06.159 somewhere else let's go through this and see if she does ring us today and if she gives you

00:24:12.559 an update every day from now over the weekend. She won't.

00:24:18.080 That's okay. And if she doesn't, I'll give you five grand piss off and I'll 5 grand piss off. Okay.

00:24:24.159 Can you give it to me now so I can piss off now? No. Listen, mate. And I'll talk to you on on um signal and if I don't get sick,

00:24:31.919 that's in trouble. I need proof of life. I you know and you know that at least

00:24:37.200 I'm the good guy you know. Well, do you mind giving me some money now because I' I've got my websites to

00:24:44.720 up like I need money in my account. The the Westpak bank have now cancelled my last remaining account. So I don't have

00:24:51.279 a bank account get to my account either and I forgot to go and and and update some cash into my

00:24:56.960 my Commonwealth bank which I should have done today physically. Well, have you got cash you can give me now so I can

00:25:03.360 have some? You need Well, let's stop let's stop splitting hairs and pass it over cuz it it never

00:25:09.679 gets there, Dave, unless I it's like insist. You know, I'm not exploiting you. I want to pay back. I've offered a

00:25:14.799 contract. I've offered compensation. Everything. What what's happened about a license? Cuz that's the key to Well, I forgot to ask her. That was the

00:25:21.679 girl I had to ask. Okay, that's right. I text her. Look what I text her. This is what I text her.

00:25:27.279 She's not even answering that. She's not answering that. She just go, "I don't know what's happening." That's what she said. "I don't know what's

00:25:33.120 happening. Someone's at the door." It's a fucking joke. Look at this. This is what I said to her. This is my exact

00:25:38.880 words. I sent her a testimony of survival,

00:25:44.480 systemic persecution, prophetic witness, and like this whole academic article. I said, "I'm dying of abuse, neglect,

00:25:51.760 torture, surveillance, corruption, deceit, lies, greed, and they're killing me." Prayer. And I go, she goes,

00:25:57.679 "They're going to call you. please answer. Like, I can't. My phone's broken. I have no money. Cops coming.

00:26:02.720 I'm out of here. I said, I asked for your help. She And I said to her, help was not conditional on her being

00:26:09.279 able to exploit my NDIS plan. It's a matter of my human human dignity. And when she already forced me from my home

00:26:16.480 before, and then she came back into my life and deceitfully saying she'll help, calling me argumentative. And all she

00:26:22.640 wants is to exploit me for my plan and entrap me further. And she betrayed her own humanity. She forced me onto the
00:26:28.799 street, this girl, and she didn't give a fuck. She got the money and she got rid of me. Everyone gets rid of me. It's the
00:26:34.880 same thing. And and I said, and the V2K, the military grade harassment, which is
00:26:40.400 in the house, and you know about parrots, right? Right now, you're in on it. That's what they say. You read on it. Give up. Give yourself in. You're a
00:26:46.480 rapist, a pedophile, and a faggot. Kill yourself. And it goes on and on. And that's fucking cops. Fucking pigs,
00:26:51.679 David. And I go, "There's no escape. It's torture. I'm being tortured, David." And I wait, let me speak. And I
00:26:57.360 go, "And you can't say you didn't know about it. I have provided the evidence." And she just said on the phone, "I don't know what's going on. I don't know.
00:27:04.159 Someone's at the door." I go, "I don't need the NDA or her or anyone else. I've got God and it's her who needs me." And
00:27:11.279 I and I offered her I go to think I offered you money. I go, "It just shows the absurd disproportionate power
00:27:16.799 imbalance, my kindness, and her exploitation of me." I'm totally aware that she's being contacted this time in
00:27:23.919 a coordinated attack. You know, at the same time, I'm forced from hearing police. It's this. It's by intelligent
00:27:30.080 design. I have the proof, David. I said, "You need to find me money now, prayer, or never contact me again." And and she
00:27:37.919 just don't know. Don't know what's going. Might call you back. I'll try and call you back. She doesn't give fucked over. No one does.
00:27:43.679 Yeah. Do I call my mom? Let's call my mom. Yeah. Just Just hang on. You can tell her what's going on.
00:27:49.840 Just have a te call right now. Okay. Now I can get a 13 Pro Max 128 for
00:27:57.760 900 or 256. You don't listen, do you, David? No, no, no. What I'm trying to say is I
00:28:04.000 might go ahead with that so that I've got um um
00:28:10.559 an iPhone, right? And a good iPhone. and I can do what I like
00:28:16.559 and and I'll get I'll set it up as a as a thing and I can put it on on on on
00:28:22.159 Libra. I can put it on this new one or I can get Well, I've got a bank account. I can now
00:28:27.360 I can help you do that. We can walk down and get one right now. Let's get the cash. Let's go and get one. You know, get what?
00:28:32.399 The phone. You talk about it all the time. You've talked about
00:28:38.080 I just wish someone would say, "Here's \$5,000. Go and have a beer. Um, have a
00:28:43.840 date. Have a route. Are you gonna Are you gonna Are you going to look up your date today?
00:28:49.279 No. No. Now, I can't talk to anyone on the phone. David, it's intercepted. So, in
00:28:55.520 any app that I talk to, they're they're either sent to interrogate me or they're
00:29:01.039 they told information. If you go now, right,
00:29:06.559 we'll be able to contact on on signal. Yeah. Signal. Yeah. Okay. Fine. I will
00:29:11.600 probably order one of these, which I can't get to next week, right? And then I'll have an apple one.
00:29:17.440 So, you've got one, I've got another and we'll talk about that later. And and it
00:29:22.799 doesn't matter if I got too bloody many, you know, I've got enough and and and my
00:29:28.320 but I've just got to get it going. And I'm not keeping you. And your very argument with everyone, the only one you
00:29:35.360 don't How do you know? We've only ever existed, the two of us, David, for four weeks. You You you you you you
00:29:42.320 accuse me of of of stopping you going anywhere. But I'm just saying now, sorry, I've got paranoid schizophrenia,
00:29:49.360 a chronic illness, David. You know, and I and it is symptomatic, but you but you know what? I'm not paranoid that I'm
00:29:56.960 homeless. I'm not paranoid I can't get a lawyer. I'm not paranoid you won't get me a lawyer. I'm not paranoid when the
00:30:03.120 police come you'll force me out the door, you know, because she's on the on my daughter's side. So that's useless. There's more

00:30:08.880 than one lawyer in the world. There's legal aid. There's the NIS. There's work cover. There's all these things.

00:30:15.279 What happened to legal aid? I can't call them, but you could. Well, we'll talk about that when we're

00:30:20.720 going. Yeah. Well, talk talk. And and in the meantime, can you fix my fix my stuff

00:30:25.919 and do my shopping and everything else? Go for 3 days or do you want to come back on the weekend or tell me on signal?

00:30:31.360 Happy to come back whenever you want. Where am I going to go? Where would I

00:30:36.640 even go? I've got no home, David. They've destroyed my life. Give you a home before the end of the

00:30:42.159 month. We're just starting September. September.

00:30:48.559 Hopefully my daughter won't be down in September. So, we can clear that up. But what if if you want to be if you want to

00:30:54.880 go la and a boyfriend or whatever and not here for for tonight, we might see on the weekend or whatever, it's all

00:31:02.080 right because I'm I'm asleep and everything answering. Well, why don't you just have a little break from me

00:31:07.360 though? Give me some money to go to the hotel the road and it' be nice if you could get you one that's around the

00:31:12.880 corner. You can buy us whatever that later, right? But I I can give you five grand. That's fine.

00:31:18.480 All right, let's do that. But and then do you get the protection of having me out of your head? You won't have any problems with any of your

00:31:24.960 reputation, anything like that. Well, that's right. That's all I paid you um to be out there.

00:31:30.799 Yeah. like as soon as you want to come back to sleep, just ring me on the signal and I'll look and see if it's

00:31:37.279 clean and and and bingo and I'll try and sleep and rest and do what I can

00:31:43.279 because I can clean the rest of the place and I'm happy to come back and help you all the kitchen and everything up. I'll be

00:31:49.919 fine. So, I've already done another lot of washing that needs to go on the line,

00:31:55.440 but I can do that slow. And so, I'm going to get all that tidied up, everything like that, and just sleep.

00:32:01.200 Yeah. Right. And then you ring me on signal. Yeah. Please. Um, can you change your tone?

00:32:08.559 I don't know if it's to another ring to another ringtone. So when I hear it, I know it's you.

00:32:14.960 You got to do that on your phone. You got to change the settings on your phone. Do you want me to do it? Yeah. Look. Just open it up. Open up.

00:32:22.000 Open up. What do we do? Do it on Signal or what? Just open your phone so I can look at it

00:32:27.200 and I'll open signal and change the ringtone. Know what it is.

00:32:34.880 No, just bear with me here. You know, if I had enough, if I had enough to buy,

00:32:41.039 look, look at that second line. What am I supposed to do with that? Guess

00:32:46.240 you've received \$100 from account number. That would um that would be \$100,000.

00:32:53.039 You have received \$100,000. Yeah. You've received \$100,000 on your Google

00:32:58.559 Pay. Do you want me to find out what it is? No. What don't you want to know? I don't know who it is.

00:33:04.960 Well, you better find out if it's spam or if someone's actually paid you 10,000. Just unlock it and I'll have a

00:33:11.679 look.

00:33:18.480 Yeah, I'll have a look and see what is I lost the page in. That's right. I don't know where he is.

00:33:26.240 Well, all you got to do is pull that down. Yep. Okay. And and I just do

00:33:32.720 just pass it here, David. Just unlock it. Gay. Okay. Just Yeah, just pass it here. Pass it here. Pass it here.

00:33:38.000 And it's going to go to Gay. Hopefully, it'll go in. Let's see.

00:33:50.960 And let's see if it does go into Gay. Start like a pro. 26 weeks. Cancel any time. What's this?

00:33:56.159 Gay. And And my daughter pays it. I'm not sure how G pay works. It's Google Pay.

00:34:01.840 Google Pay. And And And it's not like a bank account. I can pay by that. Is that
00:34:07.840 right? Wait on. Yeah, you can pay by You can pay on your phone. You got to top it
up with my other accounts.
00:34:13.679 You got to top it up like a credit card. Is that right? Wait. I'm just trying to find it. Um,
00:34:23.040 what do I search for? Google. Just remember the number that finishes with 494 or
something. 10,000 has got a
00:34:31.599 reference. Yep. So I can see if what it is. Pay wallet
00:34:37.280 payments and subscriptions. Google account. Here we go. Google pay balance is
zero. No one's
00:34:44.159 giving you \$10,000. David, so much is bullshit. It's It's spam,
00:34:49.918 David. Spam spam. And what do they want? End up in my in my um intray.
00:35:01.839 What you need to do is No, no, no. This is what I'll do. If you if you've got just a little
bit of
00:35:07.119 money in your account, I'll put on Proton Mail. I'll give you an email address that
only you know. No one can get it. It's encrypted. No one can see
00:35:13.440 it. It's just yours. They got a VPN. It's \$15 a month. It'll go on your phone and it'll
block all the spam. That's
00:35:20.320 what I can do for you. Well, relax. Okay, that's fine. So, what if we let that go? What
happens?
00:35:29.040 What if it if it goes to my my Google Pay? Will it go into that and then there'll
00:35:35.520 be an account for whatever it wants to do or whatever? Or could you call it spam
and then
00:35:41.839 delete it? Um, I don't know where it's gone.
00:35:47.760 See, it hasn't said it's spam because that that it's interrogated and would have said
suspect spam.
00:35:54.640 Anyway, if you want \$10,000, David, all you got to do is share a document with a
lawyer and I'll have about 150 million.
00:36:01.760 Mhm.
00:36:09.440 You know, if I go out there, I am at risk because the police find me and they force
me out into the street. You know,
00:36:15.920 that's what they do cuz I got no money. If I got money, I can protect it somewhere,
you know. But the thing is
00:36:22.240 there are assassins, David. Assassins. And they'll kill me. And they will kill me. I
know them
00:36:28.079 because I've met three of them. They've intimidated me. And I know they're off-
grid. They're powerful people. They're
00:36:33.200 mercenaries. I can show you their names. One's Hud Maraby and I show the name.
Yellow. I
00:36:38.640 got his ID. He said to look him up. They they intercept me and then tell me all about
them and then happen to drop into
00:36:44.160 the thing that they get paid to knock people off, you know.
00:36:49.200 And who is the main culprit of that? Bill fucking Shortan. He ordered my
assassination.
00:36:55.119 Shortan is not happy. Shortan's not happy. Why? The message came through.
Shortan is not
00:37:01.200 happy. Yeah. Yeah. You know why? cuz I exposed him in 6 billion dollars of fraud he
knew about. That is why I'm targeted. He
00:37:07.599 can't handle if I get my justice cuz he goes down. The whole fucking system goes
down. That's why they get
00:37:12.960 me. That's why what what Albanese is trying to clean up. Yeah. You know, well, you
know, someone should call the
00:37:19.119 prime minister. A whole lot more rules of change. The whistleblowers. I saw that and
I
00:37:24.560 Googled it. I downloaded the Australian Human Rights Legal Center. I contacted the
person who was No, no, no. No, I
00:37:31.599 contacted the person and they refused to speak to me. So, what's this one? Where
are we going?
00:37:36.640 Acknowledge what I said, David. I contacted the Australian Human Rights Legal
Center about the whistleblowing

00:37:42.480 laws. They had a contact person in the media inquiry and I've published my evidence and I contacted her and they've
00:37:48.400 stonewalled me. David, this is this is the the legal centers for whistleblowers. I don't get help from
00:37:54.320 whistleblowers.org. Julian helped me. We can redirect that to somewhere. Uh, and
00:38:00.000 and I'm going to go do another Google account soon, right, for myself.
00:38:06.880 I'll do that in 30 seconds, David, if you really want me to, but you won't let me do it. I'm I'm trying to keep my head because I got
00:38:12.720 so many things that I'm overdoing it. I should only have three things.
00:38:18.800 I should have public account. um um
00:38:27.200 a backup account and a and a and a um um
00:38:32.400 the green phone. I should only have three. But I'm prepared to now get a um
00:38:41.839 to get an Apple one so I can understand anything that's different with Apple. M
00:38:47.680 but they all they all talk to each other and back up because they all back everything's repeated
00:38:53.119 and they they say you got so many phone and and I'm losing them.
00:38:59.280 I can't you know I found a whole lot more that I couldn't find. But it it's it's huge what's behind one
00:39:06.880 of these phones. It's huge. And which one's that? That's mine.
00:39:12.720 Yeah. So yeah. So, you should be able to put it in my Proton account. Yeah, I'll make your Proton account now
00:39:18.880 if you want. We've got it, haven't we? No, you haven't got a Proton Mail account. Proton Mail is an encrypted account from Switzerland and no one can
00:39:25.680 see it. What's the one that we made up that we That's That's Signal. That's a messaging thing. That's not email,
00:39:31.200 which you didn't know. But you did a a money one. That's um um um Yeah. Yeah. I can't
00:39:38.800 remember the name. There's the other one. I can't remember this. Bloody brain injury. Can we put it in there? I I got it here.
00:39:44.480 It's just here. Like, look at it. It's um Revolute. Revolute. Can we put it in Revolute?
00:39:50.000 What? What Revolute? The money they sent me. They haven't sent you any money, David.
00:39:55.280 No one sent you any money. I'm sorry. It was spam with the 10,000. There's no 10,000 there, David.
00:40:01.440 So, you know that 10,000 is about as real as those um those computer animated
00:40:08.400 redheads you talk to on the um on the internet. If it's due to me, they'll send it again. Yeah. Yeah. Yeah.
00:40:14.480 You know. Yeah. Well, you would think, David, it's been there for 3 months.
00:40:19.680 What? That that that thing comes up every day. Yeah. Cuz I'm working out what to do with it other than delete it or
00:40:27.599 Well, I don't know where it goes, David. I don't know this phone. Don't know how it works.
00:40:34.400 Well, it goes into my intray. You should and go to my bank.
00:40:40.000 Yeah. But but I don't want to I don't want them to know my Commonwealth Bank. All right.
00:40:51.040 What a disaster this is.
00:40:56.319 It's a disaster. In the same way as me as all those other turkeys cuz it's upsetting me. I
00:41:02.240 I understand. I understand that you're under the thumb from your daughter and from this person
00:41:07.920 you're supposedly helping. Yeah. And if I directly say it, I say, "Of course we do. We care for you, you know, and
00:41:15.520 that's what we're supposed to do." So what I'm doing is I'll get you
00:41:21.280 whatever you want. Yeah. And and I'm going to ring them and say, "I dismissed him." Dosing him
00:41:28.079 and gone. Yeah. Yeah. And you'll be you'll off the hook. I can still come back and visit you, you know. Yeah. No,
00:41:33.839 I won't say in touch. It says it's nobody's business who I'm in touch with. Yeah. I know. You know, you know, but

00:41:39.520 they've got power over you, David. They have. Well, that will take that away, you know. So, as long as we can do use
00:41:45.920 signal and then uh soon I'll have my green phone and you can be on there.
00:41:51.839 Yeah. Right. So, I'll have my my my um my um
00:41:59.440 your burner phone. Burner phone. Phone. Y. And now I'm going to try and get an Apple burner phone.
00:42:05.119 And \$900 is no problem to me. H you know. Yeah. So,
00:42:10.400 well, what do you can you can we find a hotel and I'll get a an Uber pet and get
00:42:16.480 Crystal and we'll just get a a lift over to somewhere in a hotel where we can stay for a few days.
00:42:21.920 Let me go and get you five grand. Yeah. Okay. Right. All right. But I don't know where I still don't
00:42:27.359 know where the little paper is. So, if we can try and rebuild what we've got so I know. M
00:42:33.920 um but I'll put that in a bracket thing. That's pretty incumbent. Um that's
00:42:40.400 You gave me two grand and you gave me a few 200s and a 100 and a 300. Yeah,
00:42:46.800 I've got 2,300 or something. Yeah. Um I think it's nearly seven, but and
00:42:53.119 and that's right. David, do you know how much money I
00:42:58.160 owed? No, it doesn't matter. Okay. But you know, I'm just trying to sorry I'm treating it at words of cheap.
00:43:04.960 I'm not this this I saw the crap they're doing right now. If five grand will give you a
00:43:11.599 couple of days off from you or away from us, great. I will miss her.
00:43:17.119 Yeah. Well, I'll come back. Well, that's right. I mean, why don't I look for a dog friendly hotel near
00:43:22.560 No, no. If you if you go to a friendly here, right, I'll meet you at the green door.
00:43:28.079 The green door? The cafe? Yeah. Yeah, that's right. That's the green door. Otherwise, I will meet you at the
00:43:34.160 there's a pizza place that we go to. I'll meet you there or we can meet anywhere. I'm allowed to
00:43:40.720 come here, David. You know, you're not you're not you're not in trouble. You're not in trouble. You're actually the good person here. That's right. I'm not being treated like
00:43:47.520 that. You treat him like the others and you talk. And this is what I'm saying. When you start talking to a girl, oh,
00:43:53.839 sweetie, it annoy the shit out of them and they will get rid of you.
00:43:58.960 Okay. Right. So talk like you know normal people. Normal people. You know I'm not normal David. Nothing's normal about my life.
00:44:05.280 You talk to Joe today. She was impressed with you. Right. She should be. I'm a 30-year advocate
00:44:11.040 and a doctor that you It's too much on you. She doesn't want to know. I don't
00:44:16.319 want to know. Right. What I see is what I work with. Right. And I see a guy that's completely
00:44:22.880 screwed and and and I'm trying to make um something. So, you know, it's going to
00:44:30.000 get through to her. He doesn't know where he's going to have his next meal, you know. So, she's not concerned about that.
00:44:35.040 No, of course she isn't. No, she won't ring you before 8:00. No. And you ring me after 8:00.
00:44:41.200 Oh, no. Your friends aren't concerned about where I'm going. No one is. My my my relations.
00:44:46.400 No, the the people who who told me to get rid of me, you know. No, my relations is is my daughter and
00:44:53.280 and my dear my dearest companion. Okay. Right. and and she got really off after
00:44:59.200 that. So she said, "No, no. So I will ring her back and you'll be packed up."
00:45:05.599 Yeah, I know. I know. I know. I've been given my marching orders. I get a little time. Okay. You've asked.
00:45:11.119 All right. All right. Thank you. Thank you. All right. It's me. All right. It's me. You've asked for a break and we need a break and if they've had a break, that's
00:45:17.839 fine. I'd like to work over the weekend, but I'll work with my daughter, but I still haven't got a a a reliable
00:45:25.119 machine to work to. Okay. Yeah, you know, and I haven't even finished for and got What about this option, David? This

00:45:31.040 would be really good. There's um on Airbnb there's pet friendly rentals last
00:45:36.240 minute availability. We could just go to Airbnb and um and and and order
00:45:41.440 something for a week to give me a break or some respite and then I can You can do
it. Yeah, I'll do it. Yeah. Okay. and we'll
00:45:47.680 talk on on thing because I don't want that thing to break down and I'm trying to
keep another
00:45:53.119 phone so that you've got at least two phones. At the moment you've only got one
00:45:59.040 and we don't want that. That's public. So I won't be answering 77 and 55.
00:46:05.040 That's right. Right. Signal signal signal. Yeah. And see and I'm out I'm out of data
00:46:10.319 again. So I'm out of data again. So I can't look anything up. Which one? This is my
old phone. It's not. It's out
00:46:16.880 of data, right? Okay. And how do you get data into it? Well, I need to pay for it and I
need
00:46:22.960 money money in the bank account. Pardon? How do you get cash into it? Well, I
