Complaint Contact Form

Make a complaint

If you have a concern about your current NDIS supports or services, it's important to talk about it. Anyone receiving NDIS supports or services can make a complaint about an NDIS Provider.

If you want to make a complaint about your NDIS plan or planning process, in any state or territory, please contact the [Disability Insurance Agency](#) (opens a new window).

Your family or friends can talk to us on your behalf. Our service is completely free and independent.

We will need to know who is involved, what you are not happy about, what you want to happen, and some information about the complaint. With this information, we will work with you and your NDIS provider to resolve your complaint.

We recommend that you call our complaints line directly on 1800 035 544. Even if you're not sure yet if you want to make a complaint, we can provide advice and information to help you decide what you want to do.

There are many ways to make a complaint to the NDIS Quality and Safeguards Commission:

- Call us on 1800 035 544
- Fill out the complaint contact form below and we will contact you
- Use TTY on 133 677
- Use [National Relay Service](#) (opens a new window) and ask for 1800 035 544
- Use an interpreter.

Complaints about the NDIS Worker Screening Check

If your complaint is about the NDIS Worker Screening Check, please don't use this form. Instead, if you are:

- an employer, contact the NDIS Worker Screening Helpdesk on 1800 035 544 or by emailing nwsd@ndiscommission.gov.au
- a worker, contact the relevant [state or territory Worker Screening Unit](#)

Please provide your details:

If you wish to make a confidential or anonymous complaint, it is better if you call our contact centre on 1800 035 544 and speak to our complaints team.

The people put me in a home without hot running water furniture washer or dryer or internet

they saw me coming a mile away

they maliciously and consciously went in in order to exploit me

I was only with them just under a week

they charged nearly \$30000

The other guilty party is melvyn@australianmulticulturalcommunityorganisation.net

Melvin and Rabia both came to my home and demanded all my funding was released

Melvin was the kingpin

they are leeches

now I dont have enough left in my plan to get supports

Miranda Holt of guidestar seems to think it is being taken care of but I want to press charges

Ashling kelly my contact person at the ndis is missing in action and I have not been able to speak to her in over a year :
