**Bridget I just called icac in order to present my evidence
and they have blocked me from communications**

I can only write into them by australia post

I can't go to the ombudsman

I can't go to WorkSafe

I can't go to the Nfis

I can't go to IBAC or icac

I can't go into DSS

I'm banned at AFCA

I can't go to Police

I can't get a lawyer

I banned at legal aid

I'm a rejected whistleblower

There's nithing mire ican do

It's up to you now

To save my life

Because I can't live

Without money

Human rights

A home

Famiky or friends

Or a place to be

This is because of my ex Stefan iasonidis

An asio agent

And he gets protected

While I'm thrown under the bus

I already killed myself from this

And that was a targeted killing

The hospital were in on it

And the police

And IGIS
And asio
And the government
And my family
And my friends
And the ndis
And workers
And ndis companies

I'm a human being

Being treated like a sub human

Why?

I'm framed

I'm maimed

I'm blamed

I'm shamed

But it's not my shame to have

It's everyone else

Who have participated

In this target killing

And it's cover uo

And my continued persecution

I request I be sent to another country

Because this one has forsaken me

You're all hurting me

And it's not courageous

It's not brave

Not like I've been

And you're all killing me

I deserve protections under the PID act

Otherwise

You better out my dog at animal welfare leave

And put me in hospital

As a political prisoner

Other wise I'm going to die

Just don't separate me from my dog

She's all I have left

And to separate me

Will kill me anyway

Keep her safe

I'm not suicidal

But I'm going to die of neglect

I've attacked evidence below

Higher estimates say I'm worth 35 million dollars

They will try and kill Mr before I get that

All I wanted was a simple home

A car and computer

And my medicine

That's not too much to ask for

But it is for scapegoat

Because you're all making me beg

And I'm tired

You need to do something

To call out this corruption

It's a tyrannical rule

That has me earmarked for destruction

Barran
