

RESOLVING COMPLAINTS EASILY

Complaints or disputes are not an everyday occurrence at AHI. We strive to do the right things the right way in order to keep our customers happy.

Sometimes though, complaints or disputes do occur and when this happens, our objective is to resolve any disagreement as amicably and as quickly as possible. We believe that this is best achieved by providing you with further opportunities to have your issue reviewed.

HERE'S WHAT TO DO IF A COMPLAINT OR DISPUTE ARISES...

- Contact AHI and ask to speak to the person who first dealt with the subject of your complaint.
- Advise this person of your particular dissatisfaction and that you wish to have it rectified. In most cases many complaints are immediately resolved.
- If your particular issue is not resolved to your satisfaction you may request that it be further reviewed in accordance with our Internal Complaint Resolution Process.
- This means that a senior person within AHI who has the authority to deal with your issues will listen carefully to your complaint and make a final decision on behalf of AHI

AND IF YOUR COMPLAINT IS STILL UNRESOLVED...

- Accident and Health International Underwriting Pty Ltd (AHI) are an agent of Tokio Marine & Nichido Fire Insurance Co., Ltd. (Tokio Marine).
- If you are not satisfied with our decision you may request that we further refer the matter to Tokio Marine in accordance with our Internal Complaint Resolution Process.

TOKIO MARINE WILL:

- Conduct a full and unbiased review of your complaint.
- Try and resolve all outstanding issues.
- Provide you with a written response advising you of the outcome and the reasons for the decision.

TIME FRAMES:

- You will be kept informed of the progress of your complaint at least every 10 business days.
- A final decision will be made within 30 calendar days of the date upon which you first raised your complaint.

IF YOU ARE NOT SATISFIED WITH THE OUTCOME OF THIS PROCESS:

- Tokio Marine will advise you that you have further options. This may include referral to the industry's external independent complaints scheme. That is, The Australian Financial Complaints Authority (AFCA).
- This scheme is an independent body and the service is free of charge to you.
- The scheme will only review complaints and disputes if they have gone through the internal complaints and dispute resolution process.
