Dear Ombudsman, and also HCC, (CC Mental health legal centre - I know you will ignore this-but please get back to me, and if you open anything make it the complaint at the bottom),

I received a call from someone from your office telling me to go to the HCC - which I have done...in this email so you are both across it.

I have other evidence. Plenty is below. There is simply a conspiracy to cover up a crime, it involves thousands of complete people and I am victimised.

My former partner worked for ASIO, and his boss was David Irvine - he swore to ruin my life...there is something bigger than all of us combines behind all this conspiracy reverting the curse of justice. That is a ten year jail term.

They - want me dead by my own hand - I am less of a burden and less expensive tat way!

Attached is a Mental health Complaints Commissioner's official complaint - and my edits to it. (At the very bottom)

I have my FOI from Weribee mercy but it is highly censored. I am trying to appeal that with no success.

At least Cathy from the MHCC stuck up for me - but now - like the others - has left her post!

Other evidence:

I remind you that there is an exemption under the surveillance act that I am allowed to record if it is to do with my legal rights life or liberty- that is the law so will acknowledge that this evidence in the form of audio recordings it legitimate and unlike has happened to me before with AHPRA I want them acknowledged:

Melissa from the CAT team would not call back in Feb:

<https://www.dropbox.com/s/gjz15mr7t1s5qjz/19.02.2021.melissa.cat.team.1300657259.will.not.call.back.m4a?dl=0>

When the police and CAT team came to my door to incarcerate me: I was clearly NOT suicidal, I was inside having a beer.

My hospital discharge says absolutely I was NOT psychotic and that my beliefs were in fact true:

<https://www.dropbox.com/s/lean1g5uj4sj2dr/hospitaldischargesuicide.pdf?dl=0>

One month after being release with no money jo job squatting and no food, I met Adam from Salt tater Clinic for the first time. Here I can be heard saying 'death is an option' if I dont get the dexamphetamine I need or see a psychologist out psychiatrist.

<https://www.dropbox.com/s/fdo322la19l1es5/29.03.2021.adam.case.manager.one%20month%20after%20hospital.death.violence.drugs.an.option.thanks.m4a?dl=0>

I sent centrelink an email of the 'conspiracy' and yet - I am not back on the DSP I am on Job keeper - and none of this was valued or validated:

<https://www.dropbox.com/scl/fi/smop9g9vkzoxsnhw07tnj/centrelink.conspiracy.evidence.docx?dl=0&rlkey=sk6b9gnyvujhr1olf28lp4z80>

This details the original complaint with Dr John Whitaker yet AHPRA, NHPOPC, the Police and IBAC all rejected it.

<https://www.dropbox.com/scl/fi/tlteff9i906qvqa9grrun/evidenceandjusticefromrichmclean.docx?dl=0&rlkey=77u5dnor9u0a5gyeuv8piew43>

Here is the recording of that clear malpractice which I was gaslighted and ignored, and I did NOT record malicious - this is central to the whole conspiracy:

<https://www.dropbox.com/s/5ua1mrx5durpikd/Dr.Whittaker.Evidence.mp3?dl=0>

I remind you of an exemption to the surveillance act if it is to do with my legal rights an exemption exists - yet there was a conspiracy to cover it up.

Here sadly is my suicide note, dated, which I presented as evidence:

<https://www.dropbox.com/s/1odpt8o51sae80w/lf%20l%20die%20.rtf?dl=0>

I tried to reach out on Facebook - but no one cared:

<https://www.dropbox.com/s/xcjcj9qjk78y877/facebook%20post%20dr%20whitaker%20rich%20mclean.rtf?dl=0>

I wrote to jack heath CEO of SANE Australia where I worked for so long and he Skyped me - he told me to 'give up'

<https://www.dropbox.com/s/myw2kvaalfzw2np/jack%20health%20ceo%20sane%20letter.rtf?dl=0>

Amanda Watson from AHPRA I wrote to and she never replied and to NHPOPC:

<https://www.dropbox.com/s/zw8pb5614aimpib/amanda.watson.email.to.NHPOPC.and.AHPRA.pdf?dl=0>

AHPRA and NHPOPC rejected the complaint because of the legalities of the recording.

Here is Gemma mainland from AHPRA saying I could submit a transcript - I did not now my rights:

<https://www.dropbox.com/s/lwfupxgsdvh58j/gemma.mainland.offer.other.documentation.pdf?dl=0>

AHPRA won't use the recording - but he had a powerful lawyer and I had no one:

<https://www.dropbox.com/s/9l7najyumv8t6zj/ahpra.wont.use.recording%20gemma%20mainland%20discuss%20recording.m4a?dl=0>

More evidence of the cover up:

She knows I'm recording but won't talk - so what are they hiding?

<https://www.dropbox.com/s/ua5s2pv6a334fm4/gemma.mainland.08.10.19.wont.talk.when.recorded.m4a?dl=0>

I wrote to his lawyer who buried me:

<https://www.dropbox.com/s/obrbaaznczmrnia/ball%20and%20partners%20dr%20whitaker.rtf?dl=0>

I got my FOI from AHPRA. It revealed The GP's lawyer rejected the 'transcript' so in. Fact, my years long battle was based on nothing:

<https://www.dropbox.com/scl/fi/imv6ob4z7awiqjvw14gvh/Private-and-Confidential.ahpra.foi.docx?dl=0&rlkey=9c5kwjjbv1opfo1bhp1hp6jg>

I desperately email all pf them, but - they are all in on it:

<https://www.dropbox.com/s/7w3g1pcua8efw0h/IBACSUBMITTED%20%20not%20last%20chance.rtf?dl=0>

I complain to NHPOPC desperately

<https://www.dropbox.com/scl/fi/xo3xhh7hr1gggxcy2xu2m/NHPOPC-complaint-form-Rich-Mclean-URGENT.doc?dl=0&rlkey=wa8l7ev6z1hcrdmruolg25asr>

NHPOPC watched as I became unwell over a year then rejected ted me:

https://www.dropbox.com/sh/4hi5a5lj9gyoct7/AAC0g_7ED68INhDEC86zirD7a?dl=0

This is my timeline to homelessness just because I stuck up for myself:

<https://www.dropbox.com/s/tcl8p4egea9yaq4/timeline%20homeless.rtf?dl=0>

I am now.

Notice to the victim, me:

<https://www.dropbox.com/s/mbbiqqmzzte6agy/NOTICE%20TO%20THE%20VICTIM%20%2023399980.pdf?dl=0>

Maribynong criminal investigations unit were complete and I told the police - now I can't go to them for anything. Every time they come to the house I tell them this crime has happened and they ignore me:

<https://www.dropbox.com/scl/fi/ud1lmr448pgi5j4pbvoha/Here-is-your-opportunity-to-make-1.docx?dl=0&rlkey=n96n6t7aodz99aq3cnbztpj2>

I can't call the police - and IBAC reject me

Public interest Disclosure?

Not a chance!

I write to Greg Hunt - he is well aware:

Here is Greg Hunt after he knows all this sending me back to the beginning:

AHRC? No chance.

Mental Health legal centre?

They hate me too:

Outcome of NHPOPC:

Nope, no good cover up.

My cry for help 2020:

<https://www.dropbox.com/s/4kk648zwynvewja/cry.for.help.20.05.2020.rtf?dl=0>

Even Greg Hunt I wrote to and asked him to listen to it, but knowing full well I had already been to AHPRA and NHPOPC - he directed me to AHPRA and ignored all my emails:

Cover up.

They all rejected my complaint and the recording:

<https://www.dropbox.com/scl/fi/t6ojlvbgcide4yrgfm1lv/Rejected-me-my-complaint-and-the-recording.docx?dl=0&rlkey=051w9cw6s7dkepge6jax9ouqf>

Here is my letter to Kate hall MP and it went ignored:

<https://www.dropbox.com/scl/fi/1fim6eye2ykyhy2w8y2up/Dear-katie2.docx?dl=0&rlkey=0a4i0dq4cb54t5umyvvg1otlud>

And this again:

<https://www.dropbox.com/scl/fi/2xaubqqds3i4y4n228wfz/Katie-hall-advocacy.docx?dl=0&rlkey=n94op30esdccfn9lwxihhtwnb>

The Victorian Inspectorate also denied it:

<https://www.dropbox.com/s/lxwsownp7tcxrcm/victorian%20inspectorate.rtf?dl=0>

I provided a lot of evidence in my 3 1/2 year battle for my child sexual abuse case and wrote to the magistrate, but she kicked it out, and I have not yet received an official response from my lawyer.

<https://www.dropbox.com/scl/fi/sgjs1dc17mysfh7n3a73f/Your-honour-02-10-2020-Statement-from-Richard-Mclean.docx?dl=0&rlkey=kslgkw3m6q060cj2jtrflt6ma>

And more evidence ce:

<https://www.dropbox.com/scl/fi/6683niqt6td0d3w51z0nb/12.09.2020.evidence.for.magistrate.docx?dl=0&rlkey=e443w0hrtuzkh44xv9rp7l6a>

I wrote to The Australian Human Rights Commission who also rejected me:

<https://www.dropbox.com/scl/fi/dk28u4djobpiiifxbod8s/Australian.Human.Rights.Commission.09.08.2020.docx?dl=0&rlkey=s9yehl6hipin4gk15tdpvuuyw>

I also have other recorded evidence from Salt water Clinic from yesterday which is here:

22/03/2021 salt water clinic

<https://www.dropbox.com/s/sc5npjabdn1acue/22.03.2021.saltwater.clinic.m4a?dl=0>

Meeting with 'raj' - I BEG her for my medication

<https://www.dropbox.com/s/b7hfpaugl5kx2yp/Salt%20Water%20Clinic%20Raj.mp3?dl=0>

With my dad a few days ago - there is ACTUALLY not a psychologist working there:

On 19/04 I wrote of my experience

<https://www.dropbox.com/scl/fi/jw3zdzqryhvff6koahi2a/https-www.health.gov.au-node-7829-done-sid-1632-token-d82f9c994459167f849026d1e6439d4f.docx?dl=0&rlkey=zb3h7y0m8gruujxv93t429p1b>

Here is Dr Horgan, my psychiatrist that dumped me, saying how good dexamphetamine was for me:

<https://www.dropbox.com/s/swh3y77w73dhvou/Dr.Horgan.dexamphetamine.report.pdf?dl=0>

Dr Horgan statement on why this is crucial to me - yet seven weeks after suiciding after not being on dex I still have no psychologist or psychiatrist - its not just a bad mental health public system...this is malicious conspiracy to destroy me and victimisation.

I am banned from Millenium medical Clinic been told not to contact the owner or rec option and dr Cooper from Yarraville medical centre had me on 2 x boxes of Endone at a time, (easy to kill myself), yet when I didn't, he took them away wrote me a letter demanding I apologise to staff and go to D & A counselling as a condition of being a patient.

When my father came with me yesterday - to salt water - he was desperate for answers however they say 'its policy' they dont prescribe dexamphetamine even though I have Carly the registrar saying they do!

I wrote to DHHS and guess what no response!

Who can I approach to get justice if not the ombudsman?

I have so so much more evidence - the whole system is cooked!

Thanks for your time please see the main complaint attached below.

Thanks

What happens now?

Usually, we would be in touch with you within 10 business days to let you know what is happening. During the statewide shutdown, we may take

longer to get back to you.

This is because

- our resources are limited
- government organisations are under pressure

to respond to the crisis. They may take more time getting back to us about your complaint.

We will get back to you as soon as we can.

In the meantime, if there are any updates to your complaint, you can email us at
