STATUTORY DECLARATION

I Michael Noel Cullen Connolly
(Full name)
of 1 Tambo Close, Clayton South, 3169
(address)
Retired
(Occupation) do solemnly and sincerely declare that:

I worked with Richard McLean at the Age from 1999-2004
I was a senior artist and illustrator from 1985 to 2016
Richard has asked me to comment on his role at the Age
for a complaint being re-examined by VCAT.

In my opinion he was a talented member of the team,
valued for his work ethic, speed in creating news graphics and
for his illustration skills. A multi-talented artist.

Richard was well known for advocacy on behalf of people
affected by mental illness. His own experience and recovery
from schizophrenia was publicised in the Herald Sun
with the headline 'My descent into madness' in 2004.

At that time, no professional workplace support was available.
Richard was also publically gay.
I was surprised and disappointed when the Age removed
Richard from the roster. His talents would have been an asset
to a publication, particularly online, that values idiosyncrasy and
diversity

I acknowledge that this declaration is true and correct and I make it in the belief that a person
making a false declaration is liable to the penalties of perjury.

Declared at CLARINDA
