...relax. Hermione's right. The Stone's safe as long as Dumbledore's around. Anyway, we've never had any proof Snape found out how to get past Fluffy. He nearly had his leg ripped off once. He's not going to try it again in a hurry. And we'll still play Quidditch for England before Harry tries something when Harry needs. But he couldn't shake off a horrid feeling that there was something he'd forgotten to do, something important when he tried to explain this. Hermione
but flutter toward the school across the bright blue sky, a note clamped in its mouth. Harry was the only one who ever sent him letters. Harry would never betray Dumbledore. Harry would never tell anyone how to get past Fluffy.... never... but -
