Re: Application for Assistance – Ref Number 2024/06890

Dear Tribunal Officer,

I, Dr. Barran Dodger, formerly known as Dr. Richard William McLean, am submitting this letter in response to your acknowledgment of my application for assistance under the Victims of Crime Assistance Act 1996. This submission outlines the systematic abuses, persecution, and legal obstructions I have endured, supported by comprehensive documentary evidence. The following provides a detailed account of my current situation, supported by the relevant evidence, and my claims for assistance.

Introduction

I am a professional and advocate with a distinguished career in human rights and disability advocacy. Over the past several years, I have been subjected to a sustained and coordinated campaign of covert persecution, harassment, and legal obstructions aimed at discrediting me, dismantling my livelihood, and undermining my personal integrity.

Current Situation

1. **State of Deprivation and Abuse:** I am currently homeless, with no access to adequate food, medicine, or social support. My situation is compounded by ongoing gang stalking, electronic surveillance, and a broader conspiracy aimed at erasing my existence.
 - **Evidence:** This is thoroughly documented in *Betrayed, Forsaken, Murdered* pages 902, 843 and *FINAL-Novel* page 1140, which detail the systematic efforts to isolate and harm me. Additionally, *21.08.2024 A Conspiracy to Pervert the Course of Justice Victimising Barran Dodger and Life is Imminently at Risk* further emphasizes the urgency of my situation.
2. **Forced Medication and Lack of Proper Treatment:** I have been systematically denied access to prescribed medication, forcing me to resort to street drugs. Additionally, I have been subjected to non-consensual, government-mandated medication, further compromising my health.
 - **Evidence:** This is documented in *FINAL-Novel* page 1140 and *Statutory Declaration and Affidavit for NCAT Hearing*, where my legitimate medical needs have been neglected, leading to severe health consequences.

3. **Systemic Exclusion and Lack of Legal Recourse:** Despite my position as a whistleblower, I have been systematically excluded from legal representation and support from law enforcement. My attempts to expose corruption and seek justice have only led to further isolation and obstruction.
 - **Evidence:** This is evidenced by the contradictory and obstructive responses from the OAIC and OPMC regarding my FOI requests, as cited in *Public Interest Disclosure - Tony Riddell and Rich McLean* [pages 21-22](#), as well as in *IGIS Evidence - Please Help*, which details the systemic failures and complicity in my persecution.
4. **Violence and Intimidation by Covert Operatives:** I have been physically attacked and intimidated by covert operatives, placing my safety at constant risk. These acts of violence are part of a broader strategy to silence me.
 - **Evidence:** These incidents are recounted in *Betrayed, Forsaken, Murdered* pages 902, 843 and further detailed in *21.08.2024 Conspiracy to Pervert the Course of Justice*.
5. **NDIS Neglect and Government Collusion:** My ongoing neglect under the NDIS and the collusion of government officials have exacerbated my living conditions, leading to homelessness and further marginalization.
 - **Evidence:** This is thoroughly outlined in *Demand for Reparations and Apology Regarding Legislative Obligations for Worker Compensation and Reintegration* [page 2](#) and further supported by *Make Statutory Declaration from This*, which details the extent of neglect and its impact on my well-being.
6. **Unjust Legal Actions and Asylum-Seeking Within My Own Country:** I have been subjected to unlawful legal actions that have deprived me of basic rights and safety, forcing me into a position akin to an asylum seeker within my own country.
 - **Evidence:** This is documented in *Legal Brief of Barran Dodger* [pages 32-33](#) and *IGIS Evidence - Please Help*, which detail the legal hurdles and lack of support I have faced.
7. **Surveillance and Public Humiliation:** I have substantial recorded evidence of government surveillance and public character assassination, aimed at discrediting my credibility and isolating me.
 - **Evidence:** This is detailed in *Betrayed, Forsaken, Murdered* pages 902, 843 and further supported by *Hello this is Dr Richard McLean I'm also known as Barran Dodger*, which discusses the personal and public attacks I have faced.

Claims for Assistance

In accordance with the Victims of Crime Assistance Act 1996, I submit the following claims for assistance, each supported by robust evidence:

1. **Loss of Earnings:** Due to the sustained campaign against me, I have been unable to work, resulting in significant loss of earnings.
 - **Evidence:** Detailed in *Final Affidavit.pdf* and *Demand for Reparations and Apology Regarding Legislative Obligations for Worker Compensation and Reintegration*, where the financial impact of these actions is outlined.
2. **Medical Expenses:** I have incurred substantial medical expenses due to the lack of proper treatment and the necessity to resort to street drugs.

- **Evidence:** Detailed in *FINAL-Novel* page 1140 and *Statutory Declaration and Affidavit for NCAT Hearing*, which outline the medical expenses incurred.
- 3. **Special Financial Assistance:** Given the severity of the ongoing persecution, I request special financial assistance to aid in my recovery and address safety-related expenses.
 - **Evidence:** Documented in *Final Affidavit.pdf* and *IGIS Evidence - Please Help*, where the necessity of additional financial support is justified.
- 4. **Urgent Financial Assistance:** Due to my current state of deprivation, I request urgent financial assistance to cover immediate needs for housing, food, and medicine.
 - **Evidence:** The urgency of my financial situation is outlined in *21.08.2024 A Conspiracy to Pervert the Course of Justice Victimising Barran Dodger and Life is Imminently at Risk* and *Final Affidavit.pdf*, where the critical need for support is emphasized.

Conclusion

I respectfully urge the Tribunal to act decisively and provide the necessary assistance based on the overwhelming evidence provided. The documented evidence underscores the critical need for immediate intervention to rectify these ongoing violations and support my recovery from the profound harm inflicted upon me.

This affidavit not only demonstrates the undeniable existence of a conspiracy against me but also highlights the systemic failures that have allowed this persecution to continue. I trust that the Tribunal will recognize the gravity of my situation and respond accordingly.

Dr. Barran Dodger,
