

Activate your new plan

Follow the steps in this guide to activate a plan on your eSIM enabled device.

Before you start, make sure you have the following:

- ✓ The eSIM enabled **device you'll be using with your new plan**. Connect this device to the internet through either Wi-Fi or a mobile network
- ✓ Your **eSIM QR code displayed on another device** or as a printed copy for you to scan
- ✓ Your 4 digit **eSIM Confirmation Code**

1. Scan this eSIM QR Code

Visit our [eSIM support page](#) for instructions specific to your device on how to scan your eSIM QR code.

Before scanning, **make sure the QR code below is for the plan you want to use with your device.**

The QR code needs to be displayed on another device or as a printed copy.

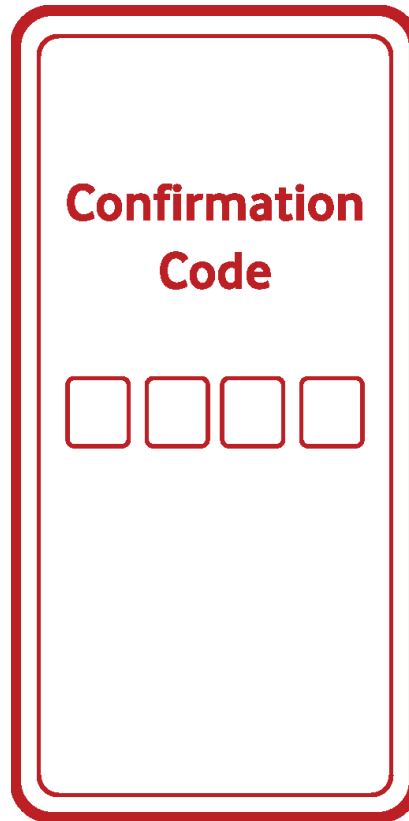

SIM Number:

89610300003229701009

Having trouble scanning your QR code? Go to the last page of this guide for instructions on how to enter your eSIM details manually.

2. Enter your eSIM Confirmation Code

Enter your 4 digit **eSIM Confirmation Code**.

**Confirmation
Code**

Your **eSIM Confirmation Code** is the 4 digit code that was **shown on screen** if you completed your order online.

You may have requested a copy of this **code sent via SMS**.

If you've **forgotten your eSIM Confirmation Code** you can call us on [1300 650 410](tel:1300650410) for a reminder.

3. Wait for eSIM activation

Turn your device off and on again. Your new eSIM should be ready to use within 5 minutes.

After you activate

If you're moving from another provider, we'll help you **bring your existing number to Vodafone** by calling [1300 101 606](tel:1300101606).

If you have any questions, please call us on [1300 650 410](tel:1300650410) between 8am and 8pm AEST Monday to Friday or between 8am and 5.30pm AEST on the weekend.

Having trouble scanning your QR code?

Don't worry, you can still complete your activation by entering your eSIM details manually - **visit our [eSIM support page](#)** to find out how.

After checking the instructions for your device on our support page you will need to input the following eSIM details:

SM-DP+ Address: **vau-gto.prod.ondemandconnectivity.com**

Activation Code: **N4QY4HGYATLZZ5EE**

Confirmation Code: **This is your 4 digit eSIM Confirmation Code**
