SOME USEFUL TIPS ON DIRECT DEBITS

Make sure you've given the right account number and there is enough money in the account to cover the direct debits.

Read your Direct Debit Request Service Agreement carefully and check your bank statements to make sure the right amount is being taken out at the right time. If there is not enough money in the account, you will be in default and may have to pay a fee for that default.

Changing or cancelling your direct debit

Contact us if you need to change the dates when the direct debit is taken out.

If you close the account, remember to change the direct debit so it comes from another account.

You can usually cancel a direct debit with us or with your bank or financial institution. You may need to do this in writing. Contact your bank or financial institution a few days after you've sent your written instruction to check that the direct debit has been cancelled.

Before you cancel a direct debit make sure you've made other payment arrangements with us so you don't default on your payment.

Resolving a problem with your direct debit

If you have a problem with a direct debit you can make a complaint to us or to the bank or financial institution. If you can't resolve your complaint with us, contact the AFCA scheme by telephone 1800 931 678, by email info@afca.org.au or in writing GPO box 3, Melbourne 3001.

For more information about direct debits, talk to your bank or financial institution.

Kind Regards,
