Hi Greta

I got your referral from Relationships Australia.

I am desperately seeking help.

I am a person who was in a five year relationship defascto with a same sex partner I can easily prove.

I was awarded a total permanent disability payment for schizophrenia in 2008 then I was living with my then partner from 2010 to 2015.

i seek legal representation to gain access to half his super, reportedly at about a million dollars.

Alas I have no savings or money - so it would need to be pro-bono.

Even if I got 100000 and you got 20% that's 20K for representing me.

I can maybe come to a free consultation then pay for one.

Can you please help this man has threatened me with a hit man, and also stand over tactics.

I have attached a synopsis.

i will wait to hear from you.

Thanks for your time.

Rich
