

Health super detriment needs to be rectified and paid another \$83000 immediately with interest from 2008.

Health Super owe me another unit of cover from 2008 payout of one unit of cover of \$83000. I was only paid one unit and it should have been two.

It states in the product disclosure statement in 2007 that two units are standard and my calculations of how much insurance I paid reflect this.

It should have been two units of cover as detailed in the 2007 product disclosure statement as standard cover.

Likewise my exit statement at the time says that over a 9.2 week period that I paid \$21.07 in death/TPD insurance as of 19/12/2007.

\$21.07 for the 9.2 or so weeks equals 2.2. this equals 2.2 units paid for and is in line with the two units of automatic cover that TPD and income assist were.

I also paid \$12.68 income assist. This equates to two units of cover at max monthly payment of 41000 if I earned at least \$14,118.

That means that I am still also owed another unit of income assist from the time for the period of my illness.

A compound interest calculation of only the extra unit of TPD cover at \$83000 on 5% interest calculated daily over 15 years = \$92,701.98.

The total amount to be paid is approximately \$175,701.98.

That is without the income assist which will be \$1000 a month for a year = \$12000.

That's \$83000 plus \$12000 = \$95000 initial investment at 5% interest for 15 years.

That equals: \$199374.95.

Please validate the evidence below and then deposit it into bank account:

Ing bank, barran dodger, BSB 923100 ACC 310283087 within three business days.

Income protection says:

A monthly insured benefit may be paid if you are Totally Disabled or Partially Disabled due to sickness or injury for longer than the 90 day waiting period (30 and 60 day waiting periods are available on application).

This is subject to a maximum of 85% of your Pre-Disability Income (see page 16) or your monthly benefit, whichever is the lower. The maximum monthly benefit available is \$20,000 per month.

Death and TPD benefit scale (per unit of cover)

The table below shows the amount of Cash only or Death and TPD cover provided by each unit of cover in accordance with your age next birthday.

Death & TPD aged based scales

age	1 unit	2 units (default)	5 units	10 units
16	\$53,100	\$106,200	\$415,500	\$831,000

29 February 2008

Mr Richard McLean
33 Benbank Drive
KEYSBOROUGH VIC 3173

Dear Mr McLean

Health Super Member Number 10410113

In accordance with your instructions for the payment of your superannuation benefit, we enclose the following:

• an Australian Tax Office PAYG Payment Summary and cheque payable to RICHARD WILLIAM MCLEAN for \$72,810.47

To assist you in understanding how your benefit has been calculated, we have enclosed a Statement of your Health Super account as at 28/02/2008.

You should read your Health Super Statement and this letter together, as they constitute your exit periodic statement, as required under the Corporations Act.

Should you have any further enquiries or would like information about how benefit entitlements are calculated, please refer to your last annual statement or contact us via our Superline on Freecall 1800 331 719 between 8.30am - 5.00pm Monday to Friday AEST.

Yours sincerely

Payments Manager
