Dear ncat for evidence

I am literally begging isolated without a phone to call anyone on and my dog is sick

I'm f*cking furious you have all done this to me

This ridiculous situation places my life imminent risk. It's disgrace. What Baber and wor and alex boss have done to me

I'm begging a bank for food because the phone does not work and aligned are in breach of the contract and lease this is f*cking bullshit

My therapy dog is sick

You have harmed me and my dog and I am furious
