Subject: Re: Evidence of surveillance intimidation gang stalking and harassment
invasion of privacy aligned community care vs Mclean VOCAT police ncat aligned
community care

Dear NCAT VOCAT Police, Investigators and others, Aligned Upscale Courts Ombudsman NACC

Apologies for the CC

**Please acknowledge an affidavit as required by law for the
purposes of my eviction with aligned community care and its
relevance to this affidavit with evidence**

**Affidavit of Facts with Documented Evidence based on the facts
and evidence detailed in my submission to the Office of the
High Commissioner for Human Rights (OHCHR).**

I, Barran Dodger, formerly known as Dr. Richard McLean, of www.barrandodger.com.au, state the following based on the facts and evidence detailed in my submission to the Office of the High Commissioner for Human Rights (OHCHR).

1. Harassment and Persecution:

- I have endured ongoing persecution, including harassment, character assassination, financial abuse, and professional sabotage by numerous government agencies and public officials. This includes covert government contractors outside my home and various forms of psychological torment.
- **Documented Evidence:** Government Contractors and Covert Audio Harassment

2. Financial Exploitation under NDIS:

- The National Disability Insurance Scheme (NDIS) has been a source of significant financial abuse. My entitlements have been mismanaged and withheld, forcing me into severe poverty and exacerbating my mental health conditions.
- **Documented Evidence:** Financial Abuse under NDIS

3. Neglect and Abuse of Mental Health Conditions:

- Systemic neglect from government agencies has significantly worsened my mental health, including schizophrenia, ADHD, and a brain impairment, leading to increased illness and isolation.

- **Documented Evidence:** [Neglect of Mental Health Conditions](#)

4. Failures of the Legal System:

- My whistleblower claims have been rejected repeatedly, and the legal system has failed to address my grievances, leading to a profound sense of injustice.
- **Documented Evidence:** Legal Failures and Whistleblower Claims

5. Social and Professional Isolation:

- Continuous vilification, job loss, and public humiliation have resulted in severe social and professional isolation, compounded by ongoing character assassination and professional sabotage.
- **Documented Evidence:** Social and Professional Isolation

6. Constant Surveillance and Psychological Torment:

- I am under constant surveillance and experience invasive psychological torment using covert intelligence technology, contributing to persistent paranoia and stress.
- **Documented Evidence:** [Surveillance and Psychological Torment](#)

7. Suicide Attempt and Cover-up:

- My 2021 suicide attempt was covered up, leading to further financial and professional hardship. This incident is part of a broader conspiracy to delegitimize and harm me.
- **Documented Evidence:** Suicide Attempt and Cover-up

8. Federal Conspiracy:

- I am a victim of a complex federal conspiracy aimed at perverting the course of justice and causing my demise, involving law enforcement and government agencies.
- **Documented Evidence:** [Federal Conspiracy Involvement](#)

9. Systemic and Political Torture:

- I am currently being systemically and politically tortured, which includes psychological, emotional, and physical harassment, further violating my basic human rights.
- **Documented Evidence:** Systemic and Political Torture

Demands:

1. **Thorough Investigations:** I demand thorough investigations into the NDIS and related entities for corruption and abuse.
2. **Financial Restitution:** Immediate support and financial restitution are necessary to mitigate the damages caused by these corrupt practices.
3. **Clearing of My Name:** I seek the clearing of my name, professional reinstatement, and social rehabilitation.
4. **Reinstatement of Work Cover:** My work cover should be reinstated, with compensation for financial and personal losses

compensation for financial and personal losses.

5. **Public Acknowledgment and Apology:** A public acknowledgment of the systemic abuses I have suffered, along with a formal apology, is essential.

The relevance of the information in the affidavit to the eviction from Aligned Community Care is crucial for several reasons:

1. **Systemic Neglect:** The affidavit outlines systemic neglect and abuse by government agencies, including NDIS providers like Aligned Community Care. This neglect is directly tied to the lack of adequate support, leading to the eviction.
2. **Legal and Ethical Violations:** The affidavit details how Aligned Community Care, as an NDIS provider, failed in their legal and ethical obligations to provide necessary supports, contributing to the conditions that led to the eviction.
3. **Broader Conspiracy:** The eviction is seen as part of a broader conspiracy involving multiple entities aimed at destabilizing Barran Dodger's life, further underscoring the systemic abuse mentioned in the affidavit.
4. **Human Rights Violations:** The eviction exacerbates ongoing human rights violations, as detailed in the affidavit, further worsening Barran Dodger's already vulnerable situation. The affidavit highlights these violations as part of a larger pattern of systemic neglect and abuse that culminated in the eviction.

In summary, the affidavit establishes the eviction as a result of systemic failings and abuses, linking the actions of Aligned Community Care to broader issues of neglect, conspiracy, and rights violations that have been perpetuated against Barran Dodger.
