

May 2, 2024

At Pinterest, all ads must meet our Ads Guidelines. As a result, we've disapproved your ad.

Ad ID: 687266348765

Status: Ad disapproved

What does this mean

This means your ad will not be shown to anyone on Pinterest.

How was this violation identified

We identified this violation through our own investigation.

What policy was violated

This ad violates our Advertising Guidelines:

- on professional and neatly edited images

What you can do

If you think we've mistakenly taken action, you can submit an appeal within 6 months of the date of this notice. Please review the email to which this notice was attached for instructions on how to submit your appeal. You can also always reach out to us via our help center: <https://help.pinterest.com>.

You can review your account and remove any other content that may go against our Community Guidelines or Advertising Guidelines. If we discover more violating content, we may take additional action on your account, such as deactivating it.

For more information, visit our Advertiser Guidelines: <https://policy.pinterest.com/advertising-guidelines> or our help center: <https://help.pinterest.com/article/digital-services-act>.
