NSW POLICE — THREAT TO KILL — RECEIPT NUMBER

188267509

Police attended 55B Archbold Road, Long Jetty on 15 April 2026 following a credible threat to kill. They issued receipt 188267509 — then refused to create a formal incident report. A receipt exists. A record does not. This constitutes administrative suppression of a Crimes Act 1900 (NSW) s. 31B offence carrying a maximum penalty of 10 years imprisonment.

FEDERAL COURT OF AUSTRALIA — PID ACT ACKNOWLEDGMENT

On 27 March 2023, Scott Tredwell (General Counsel, Federal Court of Australia) formally acknowledged in writing that Dr. McLean's disclosures tend to show: (1) conduct that perverts the course of justice, (2) **maladministration**, and (3) **conduct that unreasonably results in a danger to health or safety** (s29 Items 3(a), 4 & 8 — Public Interest Disclosure Act 2013 Cth). The Federal Court has acknowledged in writing that there is an imminent threat to Dr. McLean's health and safety.

Published: www.barrandodger.com/cto-response-letter (permanent public record)

Dear Community Mental Health Team,

I am writing in formal response to the CTO Breach Appointment notice I have received, published at barrandodger.com/cto-breach-appointment as a matter of public record. I am a registered NDIS participant, a disabled LGBTQ+ author, a human rights advocate of 35 years standing, and an active whistleblower under the Public Interest Disclosure Act 2013 (Cth). I hold a doctorate and am the author of 125 published works at 1,100,000 total downloads.

I. NAMED PERSONNEL — FORMAL REGISTRY

I place on permanent public record the identity of every person named in the CTO documentation:

Eustina Sango — Case Manager / Psychiatric Case Manager, Care Co-ordination Team, Central Coast Community Mental Health. *Authored cover letter 22 Apr 2026. Applied to MHRT on 16 Apr 2026 — the day after the death threat.*

Simon Hill (RN) — Director/Deputy Director of Community Treatment, Central Coast Community Mental Health. *Authored*

ACTIVE CASE **Day 138 of proceedings**

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

 **Evidence**

Dr Priyanga Arachchi — Treating Doctor / Psychiatrist (or delegate), Central Coast Area Mental Health Service. *Named in CTO Treatment Plan. Medication plan contemplates intramuscular (forced) injection.*

Sheree Dimitrescu — Director/Deputy Director of Community Treatment, Central Coast Community Mental Health. *Named as co-signatory on the treatment plan.*

Michael Crompton — Deputy President, Mental Health Review Tribunal, Mental Health Review Tribunal (MHRT: C67677). *Signed CTO Variation Order on 16 April 2026 — the day after the death threat.*

Every person named above is on formal notice that: (a) a death threat occurred on 15 April 2026 (receipt I88267509); (b) I am a registered PID Act whistleblower; (c) this letter is a permanent public record submitted to the ICC.

II. CIRCUMSTANCES — DEATH THREAT, POLICE RECEIPT & MANDATED APPOINTMENT

On **15 April 2026**, a credible death threat was made against me. NSW Police attended and issued receipt number **I88267509** — then refused to create a formal incident report. No police record of the threat to kill exists. The receipt does.

On the same day, AbleCare CEO Rachel and support worker Brett Butler received my recorded call reporting the threat. Rachel acknowledged AbleCare's legal duty of care on the record, then terminated the call without initiating any safety response. No NDIS SIRS report was filed — breaching the NDIS (Incident Management and Reportable Incidents) Rules 2018.

THE MANDATED APPOINTMENT & ITS SIGNIFICANCE

The breach appointment is scheduled for **28 April 2026 at 14:30hrs** at Wyong Inpatient Mental Health Unit (654 Pacific Hwy, Hamlyn Terrace NSW 2259, Ph: 02 4394 7800). Issued under **Mental Health Act 2007 (NSW) s58(3)**. Failure to attend triggers **s58(4)** — NSW Police authorised to attend my residence and forcibly transport me to a psychiatric facility.

The state will mobilise police to enforce psychiatric compliance. The state will not mobilise police to record a murder threat.

III. ZERO CONTACT WITH BLOOD FAMILY — ABSOLUTE PROHIBITION

My blood family are FORBIDDEN from being contacted in relation to my care, treatment, clinical status, accommodation, location, or any matter arising from this CTO or any mental health proceeding. This prohibition is unconditional and does not expire.

This directive applies to all persons named in this letter, all NSW Health staff, all NDIS providers, all support workers, and all agents of the NSW or Commonwealth government. My blood family have historically been used as a vector of institutional abuse. Any contact made in contravention of this directive will be documented and submitted to the ICC, UNHCR, NACC, NDIS Commission, and NSW Mental Health Complaints Commissioner.

IV. WHISTLEBLOWER STATUS — PID ACT 2013 (CTH)

I am a registered whistleblower under the **Public Interest Disclosure Act 2013 (Cth)**. On 27 March 2023, Scott Tredwell (General Counsel, Federal Court of Australia) formally acknowledged my disclosures tend to show: **maladministration** (s29 Item 4) and **conduct that unreasonably results in a danger to health or**

Under s26B PID Act, a person who takes a reprisal against a whistleblower commits an offence carrying a maximum penalty of **2 years imprisonment**. Enforcement of this CTO against an active PID whistleblower whose Federal Court-acknowledged disclosures include imminent danger to health raises a reprisal question I formally place on record.

🔗 [Federal Court PID Assessment — Tredwell, 27 March 2023](#)

V. FORCED INSTITUTIONALISATION & FORCED INJECTIONS — FORMAL WARNING

The CTO Treatment Plan explicitly lists Olanzapine 20mg delivery as "**Oral / Intramuscular**" — meaning forced injection is a contemplated and authorised treatment modality. This letter constitutes my **unequivocal withdrawal of consent to any intramuscular delivery** of any medication.

Any attempt to forcibly institutionalise me, administer medication by forced injection, or physically restrain me for psychiatric treatment **without my free and informed consent** will be treated as:

- **Battery and assault** under NSW civil and criminal law;
- A **reprisal** under PID Act 2013 (Cth) s. 26B — punishment for whistleblowing;
- A violation of **CAT Article 7** — prohibition of medical procedures as punishment;
- A violation of **ICCPR Article 7** — prohibition of cruel, inhuman or degrading treatment;
- A violation of **CRPD Article 12** — protection of legal capacity and autonomy; and
- Potentially a **Crime Against Humanity** under Rome Statute Article 7(1)(e) if forming part of a systematic attack against a person who has made international human rights disclosures.

VI. LEGAL GROUNDS FOR THIS FORMAL RESPONSE

🔗 1. MHA 2007 (NSW) ss. 74, 149 — Right to Support Person & Legal Representation

My access to legal representation has been systematically obstructed by the NSW Public Guardian's office. Referral to the Public Guardian is not genuine access to legal aid. I request this appointment not proceed without independent legal representation from a source entirely independent of the Public Guardian and AbleCare.

🔗 2. CRPD Arts. 12, 14, 25 — Legal Capacity, Liberty & Informed Consent

Article 12 prohibits deprivation of legal capacity on the basis of disability. Article 14 prohibits arbitrary detention. Article 25 requires free and informed consent for health services.

🔗 3. ICCPR Arts. 7, 9 — Cruel Treatment & Arbitrary Detention

Requiring compulsory clinical attendance under threat of forced hospitalisation while I remain in fear for my life following a death threat police declined to record raises direct questions under both provisions. I formally reserve my rights under the ICCPR First Optional Protocol.

🔗 4. DDA 1992 (Cth) s. 35 — Victimisation

Section 35 prohibits victimisation for making discrimination complaints. I have made formal complaints to the NDIS Commission, NACC, ICC, and multiple parliamentary bodies. The issuance of CTO compliance requirements in the same period as my complaints progressed is reviewable under this provision.

🔗 5. Crimes Act 1900 (NSW) s. 31B — Threat to Kill (Receipt I88267509)

The death threat constitutes a criminal offence carrying a maximum penalty of 10 years imprisonment. Police attended, issued receipt I88267509, and declined to create a formal incident report. All persons named in this letter are on formal written notice of this fact.

Enforcement of this CTO in circumstances where the Federal Court has acknowledged maladministration and imminent danger to my health raises a reprisal question under s. 26B — carrying a maximum penalty of 2 years imprisonment.

VII. FORMAL REQUESTS

1. A **written explanation** of the specific CTO condition(s) breached, with dates and particulars;
2. **Independent legal representation** — entirely independent of the Public Guardian, Legal Aid NSW, and AbleCare;
3. **Written confirmation** the assessing clinician has been provided with: (a) the April 15 death threat (receipt I88267509); (b) AbleCare's SIRS failure; (c) police non-issuance of an incident report; (d) my submissions before ICC, UNHCR, and Federal Court; (e) the Tredwell PID assessment (27 March 2023);
4. A **written safety plan** prior to any compulsory appointment, documenting how my physical safety will be protected;
5. **Written confirmation** that my blood family will not be contacted under any circumstances;
6. **Written confirmation** that no intramuscular injection will be administered without my free, fully informed, uncoerced consent — and that this letter is noted in my clinical record as formal withdrawal of consent to intramuscular delivery;
7. **Confirmation** this correspondence will be retained in my clinical file and made available to my legal representative and the Mental Health Review Tribunal.

VIII. PUBLIC RECORD NOTICE

I am publishing this response at **barrandodger.com** as a matter of public record, alongside the CTO Breach Appointment document, the AbleCare call transcript, and the Federal Court PID assessment. This is not a hostile act toward any individual clinician. It is a protective measure by a person who has experienced 35 years of coordinated institutional obstruction. The complete evidentiary archive — 2,304 documents, 845 blockchain timestamp seals, 1,100,000 downloads — is available at barrandodger.com. This letter will be included in my next formal update to the ICC, UNHCR, the Commonwealth Ombudsman, and the NDIS Commission.

Yours faithfully,

Dr. Richard William McLean

Evidence

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
