Police Complicity & Death Threat

Formal Documentation

On **15 April 2026**, Dr. Richard William McLean (Barran Dodger) formally documented and distributed to over 50 Federal Members of Parliament a direct death threat by Tory Kilborn, ongoing harassment by Steve Iasonidis and associates, police refusal to act, a verbal slur by departing officers calling Dr. McLean "*a fucking pedo*", and the institutional complicity of Able Point Australia in enabling his political exile and ongoing persecution.

What This Document Proves

This formal email record, distributed simultaneously to NSW Police (badge 56285), Brett Butler and Able Point Australia, and over 50 sitting Federal MPs including the Prime Minister, the Attorney-General, and the Minister for the NDIS, constitutes an irrefutable timestamped primary exhibit of the following:

- ▶ A direct, named death threat from Tory Kilborn documented and reported to authorities.
- ▶ Ongoing coordinated harassment by Steve Iasonidis, Tony Ridley, Houd Meraby, and others — all named — with Apprehended Violence Order (AVO) applications formally submitted.

- ▶ As officers departed they verbally slurred Dr. McLean as 'a fucking pedo' — a deliberate character assassination tactic consistent with the 35-year pattern of institutional slander documented in the archive.
- ▶ Dr. McLean formally invited arrest — a direct challenge to the authorities to place the evidence before a court, knowing the slander could not survive forensic scrutiny.
- ▶ Able Point Australia staff and management are named as complicit through their failure to act and continued failure to acknowledge Dr. McLean's status as a politically targeted whistleblower.
- ▶ The entire record was simultaneously distributed to 50+ Federal MPs — meaning wilful ignorance by any recipient from this date constitutes documented institutional complicity.
- ▶ This document constitutes additional primary evidence for the ICC Article 7 submission and UNHCR asylum application — specifically corroborating claims of ongoing state-enabled persecution and feigned protection.

Why This Document Matters

This record represents a qualitative escalation in the documented pattern of institutional misconduct. Previous submissions to the ICC and UNHCR catalogued decades of passive suppression — circular referral, psychiatric weaponisation, economic erasure. This document records an **active and present threat**, reported in real time, to which the responsible authorities responded with inaction and abuse.

The strategic significance is threefold. First, the simultaneous distribution to 50+ Federal MPs eliminates any subsequent claim of ignorance. Every member of parliament who received this email and failed to act is now on record as complicit by omission. Second, Dr. McLean's formal invitation to be arrested demonstrates a forensic confidence that institutions consistently decline to test — because the evidence does not support the slander. Third, the verbal slur deployed by departing officers is precisely consistent with the 35-year documented pattern: when the institution cannot silence the record, it attempts to destroy the credibility of the witness.

This document adds to the ICC Article 7 submission by corroborating the claim that persecution is not historical but ongoing, active, and documented in real time. It constitutes additional grounds for the UNHCR asylum application and provides timestamped evidence that Dr. McLean remains in a state of unprotected political exile within Australian borders.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
