Dear Dr McLean

Decision to restrict your contact with the Commonwealth Ombudsman

The Office of the Commonwealth Ombudsman manages complaints about the administrative actions of Australian Government agencies, ACT Government agencies and prescribed private sector organisations.

Over a period of 12 months, you have sent 229 emails to ombudsman@ombudsman.gov.au on complaint file 2024-706941. Most emails did not contain information related to a matter within the jurisdiction of the Office or warrant action by the Office or contained offensive images and abusive language unrelated to any complaint or matter with the Office, raising workplace health and safety concerns for my staff. On 3 January 2025 our Office wrote to you and requested you refrain from repetitively emailing our Office, including copying our Office into correspondence to other people or entities. In response to this request you continued to send high volumes of emails, where our Office was copied in, rather than being directly related to your complaint.

On 2 June 2025 we wrote to you again about the number of emails we were receiving, advising of temporary restrictions to your email contact with us. We advised that if we continued to receive further contact from you by email that did not directly relate to your complaint issue, it may lead to service restrictions being extended. You have continued to send emails from multiple email addresses that are not directly related to a complaint with our Office, or a matter we can assist with.

Due to this behaviour, we are putting in place some restrictions regarding your contact with our Office as a precautionary measure to ensure the safety, security and wellbeing of staff.

What does this mean for me?

I have decided to restrict your contact with the Office of the Commonwealth Ombudsman by blocking the following email addresses:

impartiallegal@gmail.com	bazzawazza2000@proton.me
barrandodger8@gmail.com	rich@richmclean.com.au
bazdod@icloud.com	barrandodger@gmail.com
bazdodgers@gmail.com	barranresonancedodger@gmail.com
brdnineteen73@gmail.com	crystalandbarran@gmail.com
creativemusings@icloud.com	richarddrawsstuff@gmail.com
drrichmcleanwhistleblower@gmail.com	richandcrystal73@gmail.com

This means your emails will be filtered and held on receipt and will not reach the intended mailbox. Further email addresses will be added to this list if you contact us from new email addresses while the service restrictions are in place.

How long will the email service restriction remain in place?

The email restriction will remain in place for 6 months from the date of this letter. This means the expiry of the service restriction is 8 February 2026. At the end of this period, we will reassess the email restriction and determine whether it needs to be continued.
