WHY JOIN NOW

We gave 788 documents to the world for free. Now we need your support to keep going.

Every forensic analysis, every primary source document, every prophetic paper — all freely available to 1,377,025+ people on 6 continents. The archive has no corporate funding, no institutional backing, no legal aid. Dr. McLean survives on \$400/fortnight NDIS entrapment while maintaining the most documented whistleblower case in Australian history. Your membership directly sustains the archive, Dr. McLean's safety, and the ICC proceedings.

⚡ IMPARTIAL AI PRICING ASSESSMENT

An independent AI analysis of comparable global human rights archives, investigative journalism memberships, and whistleblower advocacy platforms (ProPublica, Bellingcat, The Intercept, WikiLeaks) assessed equivalent memberships at **\$8–\$55/month**. The Barran Dodger tiers at **\$5, \$15, and \$33** are assessed as **significantly underpriced** relative to the archive size (788 documents), international jurisdiction (ICC + UNHCR), blockchain verification, and exclusive sacred content. The AI notes: the \$5 entry tier in particular represents exceptional value for any supporter of documented accountability.

INVESTMENT OPPORTUNITY

The \$112M Accountability Claim

The Barran Dodger Legal & Ethical Trust Fund holds a formally documented \$112M+ compensation claim against the Commonwealth of Australia across 25+ agencies and 5 named parties. This claim is supported by 788 primary source documents, 79+ forensic analyses, and has been formally received at the ICC under Article 7.

Investors who support this mission through formal investment arrangements participate in the outcome of proceedings that have achieved international jurisdiction. This is not a speculative cause — it is a case with a 35-year evidentiary record and zero successful challenges.

Formal claim value	\$112M+

THE QUESTION BEFORE YOU

When this reckoning is recorded in history — whose side will you be on?

In every documented case of institutional persecution followed by vindication — from Dreyfus to Snowden — those who stood with the evidence early were remembered. Those who waited were forgotten. The ICC has the submission. The blockchain has the proof. The reckoning is not coming. It is here.
