Changes from the last version

The following updates have been made to the last published version of the myplace provider portal Step-by-step guide:

- Update the plan auto extension feature for participant plans that include funding for Specialist Disability Accommodation (SDA) and Supported Independent Living (SIL) (Page 6 and 16).
- Information on submitting payment requests within 90 days of service (Page 48).

Administering your services

These functions enable you to:

- Find your active Participants
- View a **Participant's plan** (if you provide services to that participant and have their consent).
- View and manage your **Service Bookings** (these record which supports you will provide to participants, the value of the supports, and the period within which they will be provided).
- View and manage your **Payment Requests** (how you submit claims for payment for supports delivered).
- View and respond to **Quotations** (requests for quotes for supports from the Agency or a participant).
- View **Referrals** to your organisation (created by the Agency when a participant would like you to contact them).
- View and action Support Coordination **Requests for Service**.
- Use the **Provider Finder** (to find additional supports for a participant).
- **Upload Evidence** related to the participant or their supports.
- **Download** and view reports about all the service bookings you have with active participants and information about participants you have service bookings with, and also your quotation requests.

Finding Participants

All of your active participants will appear in **My Participants**. When you open **My Participants**, you can search for a participant and quickly view their plan, view or create service bookings and payment requests.

The NDIA requires consent from participants to share their plans with providers. Only participants and their nominees can provide the NDIA with the consent to share their plans with providers. Participants have the choice to either share, or not share their plans with you and can withdraw consent at any time.

1. Select the **My Participants** tile on the **myplace** home page.

2. A list of active participants sorted by first name is displayed. From here you can select the links to view their plan, view or create service bookings and payment requests.

4. To view the plan, select the **View** link and following instructions from Step 8 in the View Plan section below.

View plan

View Plan allows you to view the plans of participants that you have active service bookings with and have given the NDIA consent to share their plan with you.

The NDIA requires consent from participants to share their plans with providers. Only participants and their nominees can provide the NDIA with the consent to share their plans with providers. Participants have the choice to either share, or not share their plans with you and can withdraw consent at any time.

The 28-day plan auto-extension feature identifies plans near expiration and auto extends those plans up to 28 days, until the new plan review is approved to ensure that there is not a gap between the plans. The 28-day plan auto-extension feature will allow you to discuss the range of services participants might need during the 28-day extension period.

See [Download Service Bookings](#) if you want to download and identify any plans that are expiring and include service bookings that qualify for automatic extension.

1. On the home page select **View Plan**.

A **Participant Search** screen displays.

2. A dropdown menu displays for the search criteria field. Use the dropdown menu to select the criteria you wish to use. In this example we are searching by the **Participant's Name**.
3. Enter the participants first and last name in the search criteria field.
4. Select **Search**.

5. You must enter both the participant's first and last name to search. When a participant has a common name, it may be easier to search by NDIS Number. You will receive an error message if you don't enter both names and will be asked to complete the required fields. The names entered must be an exact match for the system to find the participant.

6. You can only view a participant's plan if you have an active service booking with the participant. If you do not have an active service booking you will receive an error message.

Note: To create the first service booking, you will need to work from the participant's printed plan, or the information the participant provides to you.

7. You can hover over the '?' icon to obtain help on fields.

After searching for a participant, you will see the **View Participant Plan** page. Select the required participant to open their plan details.

8. The **View Participant's Plan** page shows the participant's details (name, gender, NDIS number, date of birth and interpreter need) as well as three open/close sections displaying the participant's:
 - **Current Plan** – displays the days remaining in the plan. Select the **View Previous Plans** button to view the details of past plans.

- **Goals** – listing the participant's goals and their response to 'How I will achieve this goal' and 'How I will be supported'
- **Participant's Nominee Details** – showing the nominee's name and relationship details, where a nominee exists.

Consent to view plan notification

1. You will receive via the **Inbox**, notification of consent to view a participant's plan, as well as any changes to consent. This will be a message of type 'Changes to plans shared with you'.
2. See **Inbox** Step 4 for details of how to filter messages by type.

Service bookings

Prior to providing services to a participant, you need to ensure there is a service agreement (not held in the NDIS system) between you and the participant.

A service booking details support(s) that you will provide to a participant under the service agreement. Both you and the participant will need to agree to the service. A service booking must be in place before you can be paid for a service.

You can create and manage service bookings with your participants using **myplace**. Service bookings can also be created by participants, their nominee, or their plan manager. A participant may also be supported by an Agency representative to complete their service bookings.

Providers can:

- a. Create a new service booking with a participant.
- b. View and edit existing service bookings.
- c. Accept or reject a new service booking including providing a reason for rejection.
- d. Accept or reject a change to an existing service booking, including providing a reason for rejection.
- e. Edit support details on a service booking including duration, price and quantity.
- f. End a service booking including immediate cancellation.

Important points to note:

- The dates of the service booking must be within the participant's current plan.
- If the dates of your service booking do not cover the whole plan duration, you can create additional service bookings, or extend it to cover the plan. The dates of the service bookings (with the same support category) cannot overlap. Plan Managers should create their service bookings for the duration of the plan.
- The 28-day plan auto-extension feature identifies plans near expiration and auto extends those plans up to 28 days, until the new plan review is approved to ensure that there is not a gap between the plans. The 28-day plan auto-extension feature will allow you to discuss the range of services participants might need during the 28-day extension period.
- From 10 February 2020, participant plans that include funding for Specialist Disability Accommodation (SDA) and Supported Independent Living (SIL) will have the service bookings increased automatically where a 28-day extension has been applied.
- A service booking must have at least one support category (displayed as **Support Budget**) included.
- You can have multiple support categories within one service booking.
- You can have additional service bookings for the participant for other support categories.
- The **Item Number** field (line item) is not mandatory unless the item is stated in the plan.

Create service bookings

Providers can create two types of service bookings depending on the participant's plan. Participant plans will have funding allocated at either a category level or an item level. (Some will have funding at both levels. In this case, providers might need to create two separate service bookings.)

Item level funding

If a participant has a stated item in their plan, and the provider tries to create a service booking in the support category but does not choose the support item, the portal will reject the service booking.

The stated support must be chosen to lock in the funds for that support and to create a service booking.

Category level funding

If a participant has funding allocated at a category level, the provider can create a service booking without having to state the line item.

This type of service booking allows providers to use participant funds more efficiently and delivers greater flexibility for participants to utilise their funding across different support items within a support category.

Important: The Agency recommends that service bookings be created at the category level, if possible. This allows providers and participants to negotiate or access supports on a more flexible basis, especially for on-the-spot assessments or services. This is preferable to having to create another service booking for that item at a later date or having funds locked into a support line item that does not relate to the appropriate support.

1. Select the **Service Booking** tile on the **myplace** home page.

The **Service Booking** page displays.

2. Select the **New Service Bookings** tile.

The **Add** service booking page opens.

The image shows the 'Add' service booking page. At the top, a purple header bar contains the word 'Add' and the instruction 'Use this screen to add a service booking starting with finding a participant'. Below this, a breadcrumb trail reads 'Home / Service Booking / Add'. A note states 'Required fields are marked with an asterisk (*)'. The form includes three input fields: 'Last Name: *' with the placeholder 'eg. Smith', 'NDIS Number: *' with the placeholder 'eg. 43XXXXXXX' and a help icon, and 'Date of Birth *: *' with a calendar icon and the placeholder 'DD/MM/YYYY'. A green 'Search' button is positioned below the input fields. At the bottom left, there is a red 'Cancel' button.

3. Enter the participant's **Last Name**, **NDIS Number**, **Date of Birth** and select **Search**.

The **Service Booking Details** section (Step 1) opens.

Step 1: Service Booking Details

Help on this

Selected Participant: ashwin first (430214424)

Service Booking Type *:

Start Date *:

End Date *:

4. Select the **Service Booking Type**. The types available are:

- **Standard booking** is available when funds are Agency managed. In most instances the only option will be standard booking.
- **Plan managed** is only available when a provider is managing participant funding, as specified in the plan. The plan manager provider must be registered to do this. To create a plan managed service booking, a standard service booking between the plan manager and participant must first exist. This standard service booking needs to include at least one item for financial intermediary supports.

5. Enter the start and end dates of the service booking. These dates cannot sit outside the date range of the plan.

6. Select **Find Plan**.

The **Select Plan** section (Step 2) opens.

The screenshot shows the 'Step 2: Select Plan' section. It has a purple header with 'Step 2: Select Plan' and a 'Close Section' button. Below the header is a 'Help on this' link. A table lists available plans with columns for 'Select', 'Plan ID', 'Start Date', and 'End Date'. The first row shows Plan ID 1022085, Start Date 27/09/2018, and End Date 27/09/2019. A red arrow points to the radio button in the 'Select' column. At the bottom is a red 'Cancel' button.

Select *	Plan ID	Start Date	End Date
☐	1022085	27/09/2018	27/09/2019

7. Select the button of the plan you want to work with.

The **Support Details** section (Step 3) opens.

The screenshot shows the 'Step 3: Support Details' section. It has a purple header with 'Step 3: Support Details' and a 'Close Section' button. Below the header is a 'Help on this' link. There are three main input areas: 'Support Budget' with a dropdown menu (highlighted with a red box), 'Item Number' with a text field and a magnifying glass icon (with a red arrow pointing to the icon), and 'Allocated Amount' with a text field showing '\$0.00'. At the bottom right are 'Reset' and 'Add' buttons.

8. Select the support category using the dropdown button for **Support Budget**.

9. Select the magnifying glass in the **Item Number** field. If you do not wish to record the **Item Number**, skip steps 10 and 11.

Note: The **Item Number** field (line item) is not mandatory unless the item is stated in the plan. Typically, an item is not stated but contact the participant to verify.

The list of support items opens.

10. Select the relevant **Support Item Number**.

Note: Only items which you are registered to provide will be displayed.

11. If the support relates to an in-kind program, select it in the in-kind program section.

The screenshot displays two sections of the NDIS provider portal. The top section, 'Step 2: Select Plan', features a table with columns for 'Select', 'Plan ID', 'Start Date', and 'End Date'. A single row is visible with Plan ID 1021294, Start Date 12/07/2018, and End Date 11/10/2018. Below this is the 'Select In-Kind Program' section, which contains a dropdown menu labeled 'In-Kind Program:' with the text 'Please select'. The bottom section, 'Step 3: Support Details', includes fields for 'Support Budget' (a dropdown), 'Item Number' (a text input with a search icon), and 'Allocated Amount: (Unit price)' (a text input showing '\$0.00'). At the bottom right of this section are 'Reset' and 'Add' buttons.

Select	Plan ID	Start Date	End Date
	1021294	12/07/2018	11/10/2018

In-Kind Program:

Support Budget: Item Number:

Allocated Amount: (Unit price)

12. In the Support details section (Step 3), enter the allocated amount and the quantity as agreed with the participant then select **Add**.

Note: For time-based supports, you can either enter the total amount or the number of hours with an hourly rate. This will not impact payment requests.

Note: For in-kind program supports, the allocated amount is read only.

- Select **Reset** to clear all your entries and selections.
- If you need to add another support item, select **Add**.

Step 2: Select Plan

50015922	Standard Booking	ashwin first (430214424)	27/09/2018	30/11/2018	27/09/2018	Active	Provider

Note: Only 10 results are listed on screen together. Use the 'Next' and 'Previous' buttons at the bottom of the screen to navigate forwards and backwards through lists that have more than 10 entries.

Tip: You may need whenever you make a new selection to re-select **Refine Search** (besides the **Search** button) to expand and view the sorting options available on screen.

3. You can search the list of service bookings two ways:
 - a. By entering a participant's name or NDIS number, or service booking number; then click the **Search** button.
 - b. By selecting from the 'Initiated By' or 'Status' dropdowns; then click the **Search** button.
 - 'Initiated By' allows you to view and sort the service bookings by the party that initiated the booking — by All, Participant, Provider or Staff.
 - 'Status' allows you to view and sort the service bookings by:
 - Active / Inactive (these are listed in the results separately)
 - Awaiting Participant Review
 - Awaiting Review
 - Change Awaiting Participant Review
 - Review Change
 - Rejected

Note: These are explained below.

Service Booking Status	Definition
Active	The service booking has passed validation and been accepted by the participant and provider. It is currently within the dates where service delivery may occur and can have payment requests made against it.
Inactive	The service booking passed validation and was accepted by both participant and provider, but it has now expired (past the date of service delivery).

Service Booking Status	Definition
	It can have payment requests made against it if the date of service delivery falls within the original service booking dates.
Awaiting participant review	The participant needs to review the new service booking. Please note: If the participant does not have access to their myplace portal to review the service booking, you should contact the Agency.
Awaiting review	The provider needs to review the service booking and either accept or reject it (refer to Accept or reject a new service booking for further details).
Review change	The service booking has been modified by the participant or Agency. You need to accept the change to make the service booking active or reject the change to keep the service booking as it was (refer to Accept or reject a new service booking for further details).
Rejected	Either the participant or provider did not accept updates to the service booking. No payment requests can be made against it.
Change awaiting participant review	The participant needs to review the updated service booking. Please note: if the participant does not have access to their myplace portal to review the service booking, please contact the Agency.

4. You can then sort the list of **Search Results** by the column titles; just make your selection from the options in the 'Sort By' dropdown to view all service bookings by:

- Service Booking Number
- Service Booking Start Date
- Service Booking End Date
- Submitted Date
- Service Booking Status
- Initiated By.

Back
Update End date

Note: End dates of service bookings that are about to expire, and that share the same end date as the plan they belong to, will be extended using the 28-day plan auto-extension feature. You will see an alert in the service booking screen to notify you when a service booking has received an extension: “The end date of this service booking has been extended to align with the participant’s plan dates”. You may need to change the end date of the service booking in the old plan.

When viewing service bookings within 90 days of an expired plan you will see the following alert:

Alert message displayed	Action
The Service Booking end date has changed to <Service Booking End Date displayed>. Funding within the Service Booking may be reduced after <Date displayed>.	You are encouraged to request payment for services provided to participants within 90 days of service. Payment requests made after 90 days may cause a delay in payment.

When viewing service bookings after 90 days of an expired plan you will see the following alert:

Alert message displayed	Action
The Service Booking end date has changed to <Service Booking End Date displayed>. Funding within the Service Booking may have reduced from <Date displayed>.	If you are unable to submit your payment request contact NDIA on 1800 800 110.

6. Select **Back** to return to the previous page.

Accept or reject a new service booking

New service bookings will have a status of 'Awaiting Review' and will need to be accepted to become active and enable service delivery and payment.

1. Select the **View Service Bookings** tile and expand the **Refine Search** dropdown.

29 July 2018

Dear

RE: Summary of Service Bookings requiring further action

The following service bookings have been created or amended and require further action by you:

Please use the myplace portal to review and either accept or reject the change. Note that if the end date has been brought forward, an accrual for pending claims may be added and there can be no further updates to the service booking.

If you have any questions, contact the National Disability Insurance Agency on the details provided below.

Yours Sincerely

National Provider Payments Team
National Disability Insurance Agency

How to contact the NDIS

Please remember if you phone us we need to know we are talking to the right person so we will ask for details only you, or a person authorised on your behalf, would know.

- Phone us: call **1800 800 110**
- TTY user: call **1800 555 677** and ask for 1800 800 110
- Speak and Listen (speech-to-speech relay) user: call **1800 555 727** and ask for 1800 800 110
- Internet relay user: visit the **www.relayservice.gov.au** and ask for 1800 800 110
- Email: enquiries@ndis.gov.au
- More information: www.ndis.gov.au

Edit support details on a service booking

You may need to amend some of the details on the service booking, such as quantity or allocated amount.

1. Follow the steps outlined under **View Service Bookings** above.
2. Ensure that the service booking to be edited has been initiated by the provider.
3. At step 6, select **Update Allocation**.
4. Enter the new **Quantity**, **Allocated Amount** and check the **declaration** to confirm that the service booking reflects what you have discussed and agreed with the participant.

Home / Service Bookings / Find / View / Update Allocation

Update Allocation

Edit the current quantity and allocated amount

Service Booking Details

Participant Name (NDIS Number)	Type	Number	Start Date	End Date	Revised End Date	Total	In-Kind Program	Status
CONNIE COMPLIANCE 001 (430214440)	Standard Booking	50015952	28/09/2018	31/12/2018	-	\$50.00	-	Active

Support Details

No.	Support Budget	Support Item Number	Support Item Name	Quantity	Allocated Amount (Unit Price)	Remaining Amount

* ☐ I declare that this Service Booking has been discussed with and agreed by the participant.

5. Select **Submit**.

End a service booking

You might need to end a service booking if you are unable to continue to deliver the service, or the participant asks you to stop delivering the service.

1. Follow the steps outlined under **View Service Bookings** above.
2. At step 6, select **End Service Booking**.

The **End Service Booking** screen displays.

3. Complete the following fields:
 - At **Service Booking End Date**, enter the end date for the service booking and the reason for the change (e.g. to support participant choice, some provider choice, and some both).

Note: If you want to change a service booking end date to be later than its current end date, the participant is required to accept the change. You must check the 'declaration' at the bottom of the screen to indicate that you have discussed the change with the participant and that you are authorised by them to confirm the new end date.

 - At **Reason for Ending**, select from the dropdown list. Some reasons are there to support participant choice, some provider choice, and some both.
 - Enter the value of services delivered where a payment request has not yet been submitted at **Accrual for pending payment requests**. This is to ensure sufficient funds are retained against the service booking to pay for all services delivered.
 - Tick the box at the **Declaration**. This is a compulsory field and the onus is on you, as the provider, to have discussed and gained consent from the participant to end the service booking.
4. Select **Submit**.

Payment request

Payment requests were previously known as claims. In this tile you can create and submit payment requests to NDIS. You can also go here to view a history of submitted payment requests.

You will need to have provided your bank account details to NDIS before a payment request can be created. Usually, you would have recorded your bank account details in the **myplace** portal after registering with NDIS (please see **Bank Account Details** section).

You are encouraged to request payment for services provided to participants within 90 days of service. Payment requests made after 90 days may cause a delay in payment.

Create a payment request

1. Select the **Payment Request** tile on the **myplace** home page.

2. Select **Create Payment Request**.

3. Search for the participant you have provided services for. You can search for the participant by their first or last **Name** or **NDIS Reference Number**. Choose how you want to search by selecting the dropdown menu.

Home / Payment Request / Search

Search Participant

Please search by First Name and Last Name or NDIS Number.

Search by: * Required fields are marked with an asterisk (*)

- Please select
- Name
- NDIS Number

Search

Cancel

4. Enter the details of the participant for whom you need to submit a payment request and select **Search**. In this example, the participant's NDIS reference number is selected as the search criteria. The NDIS number can be either the participant's new NDIS number or the old Siebel NDIS number.

Home / Payment Request / Search

Search Participant

Please search by First Name and Last Name or NDIS Number.

Search by: * Required fields are marked with an asterisk (*)

NDIS Number: *

NDIS Number: eg. 43XXXXXX ?

Search

Cancel

The **Search Results** display.

5. Select the relevant **Participant Name**.

The screenshot shows the 'Search Participant' form in the NDIS provider portal. The form has a purple header with the title 'Search Participant' and the instruction 'Please search by First Name and Last Name or NDIS Number.' Below the header, there are two input fields: 'Search by:' with a dropdown menu set to 'NDIS Number', and 'NDIS Number:' with the value '430214424'. A green 'Search' button is located below these fields. To the right of the input fields, a note states 'Required fields are marked with an asterisk (*)'. Below the search form, the 'Search Results' section displays a table with two columns: 'Participant Name' and 'NDIS Number'. The first row shows 'Mr. ashwin first' and '430214424'. The 'Participant Name' cell is highlighted with a red rectangle. At the bottom left of the results section, there is a red 'Cancel' button.

Participant Name	NDIS Number
Mr. ashwin first	430214424

The **New Payment Request** window opens.

6. Enter data in the required fields. These fields are marked with a red asterisk (*) and must be completed. The required fields are **Support Start Date**, **Support End Date**, **Support Category**, **Item Number**, **Item Quantity**, **Payment Amount**, **Claim Type** and **Invoice Number**. If the **Claim Type** is cancellation, a cancellation reason is required.

Home / Payment Request / Search / New Payment Request

New Payment Request

Submit a new payment request for a support you have recently provided.

Participant Details

Participant Name:	Mr. ashwin first
NDIS Number:	430214424

Payment Request Details

New Payment Request - Help ? Required fields are marked with an asterisk (*)

Support Start Date: *	DD/MM/YYYY	Support End Date: *	DD/MM/YYYY	Invoice Number: *	eg. Up to 50 c
Support Category: *		Item Number: *			
Claim Type:		Cancellation Reason:			
Item Quantity: *	eg. 0	Unit of Measure:			
Payment Amt (\$): *	eg. 0.00	GST:	GST Free		

Note: The information entered for the payment request must align with the service booking (i.e. you cannot enter a date that is outside the date range of the service booking).

7. Select the **Support Category**.
8. Select the **Item Number** magnifying glass icon to search for the **Item Number**.

A list of the items displays that are available to claim.

9. Select the 'Support item number' for the item you wish to submit a payment request for.

The screenshot shows the 'New Payment Request' form. A modal window titled 'Search for Support Item' is open, displaying search results. The modal has a search input field with the placeholder 'Enter Support Item'. Below the input, it says 'Search Results' and '1 search results found.' The results are shown in a table with columns: Support Budget, Support Item Number, Support Item Name, and Service Agreement Number. The first result is 'Home Modifications' with a 'Support Item Number' of '06 183003384 0111 2 2' (highlighted with a red box), 'Support Item Name' of 'ELEVATOR - HOME', and 'Service Agreement Number' of '50015923'. A 'Close' button is at the bottom of the modal. The background form shows 'Participant Details' (Mr. ashwin first, 430214424) and 'Payment Request Details' (New Payment Request, Support Category, Claim, Item Quantity, Payment Amount). There are 'Add' and 'Delete' buttons at the bottom right of the form.

Support Budget	Support Item Number	Support Item Name	Service Agreement Number
Home Modifications	06 183003384 0111 2 2	ELEVATOR - HOME	50015923

10. You will also need to enter your **Invoice Number** as a reference for your payment request. This invoice number is specific to your invoicing process and is not generated by NDIA.

Important: The **Payment Amount** is the total amount being requested; it is not the unit price amount.

11. You will also be required to enter the **Claim Type**. This field has a dropdown menu that is used to claim for the following services; refer to the NDIS Price Guide for further information on each **Claim Type**.

The screenshot shows a dropdown menu for 'Claim Type'. The selected option is 'Direct Service'. The dropdown list is open, showing the following options: 'Direct Service', 'Cancellation Charges', 'Non Face-to-Face Services', and 'Provider Travel'.

12. If the **Claim Type** selected is cancellation, then a **Cancellation Reason** will be required from a list for the most appropriate reason.

Cancellation Charges	▼
▼	
No show due to family issues	
No show due to health reason	
Other	
No show due to unavailability of transport	

13. If you need to add more items for this participant, select **Add** to enter them. Select **Next** to continue to the next stage.

The table below explains what the different status criteria mean.

Payment Request Status	Definition
Paid	Payment has been approved and payment issued.
Incomplete	The payment request needs to be updated as it is incomplete.
Pending Payment	Payment is yet to be finalised.
Cancelled	The request has been cancelled.
Deleted	The request has been deleted.
Awaiting Approval	Approval required from the Agency.
Rejected	The payment was not processed and will not be visible to the user.

- When the details of the payment request display, select **Back** to return to the previous page.

Uploaded bulk payment files

Further details on how to do this can be found in the Bulk payment request instructions - step-by-step guide on the [NDIS website](#).

Cancel payment request

If you make a mistake with a payment request, you can cancel the request if it has a status of **Pending payment** or **Paid**. After the request is cancelled, you can enter a correct payment request if needed.

If you cancel a payment request with a status of **Pending payment** (i.e. we have not yet paid you that amount) the payment request will not be processed.

If you cancel a payment request with a status of **Paid** (i.e. we have paid you that amount and you consider it to have been paid incorrectly), we may:

- send you an invoice requesting repayment of the cancelled amount, or
- offset your future payment requests against the cancelled amount.

Note: If we apply an offset, you will not receive any further payments until you have submitted payment requests which in total, equal the cancelled amount.

Note: If you wish to return a payment that you have received after cancelling the payment request, please contact us on 1800 800 110.

Are you sure you would like to cancel the selected payment?

NO YES

4. The following message displays. If you search again for the payment request you will see it now has a status of **Cancelled**.

 The payment request was cancelled successfully.

Recipient Created Tax Invoices (RCTI)

These are generated for each payment request or bulk upload. To make reconciliation simpler, all invoices for the same day are batched together.

Additionally, there is an ability to download RCTIs in PDF and Excel format.

Bulk payment request upload

You can upload payment requests in bulk. The payment requests can be uploaded in either .csv or .xml file formats. Use the current version of the bulk upload template available on the **myplace** portal.

Further details on how to do this can be found in the Bulk payment request instructions - step-by-step guide on the [NDIS website](#).

Payment summary

You can view a summary of the payment requests through **Payment Summary**. The summary can be up to a 30 day period and includes cleared (received) payments, pending payments, rejected payments and bulk upload file payments.

Select **Payment Summary** on the **Payment Request** page.

1. Enter the **From Date** and **To Date** of the summary (up to a 30 day period).

Note: This is the date that the payment was requested.

Quotations

This section allows you to view and respond to quotation requests sent to your organisation by the NDIA. Quotations enable you to submit quotes to provide particular supports on a participant's plan.

Note: Many quotations are currently being managed outside the portal and entered into the system by the Agency to manage system limitations.

This section allows you to view, respond to and manage quotes.

View a quote

1. Select the **Quotations** tile on the **myplace** home page.

When a **Quotation Request** is received a banner notification will appear on the tile.

The **Quotations** page opens and your quotes will be displayed. The results will be organised under the following column headers:

- **Find a participant:** Enter either the participant name or their NDIS number.
- **Sort by:** Select an option from the dropdown list to sort the list by the column headers.
- **Quote ID:** The list of quotations requested by NDIA.
- **Participant name (NDIS number):** The name and NDIS number of the participant that the quotation relates to.
- **Date requested:** The date the quotation was requested by NDIA.
- **Quote type:** Shows the type of quotation.
- **Description:** Describes the item.
- **Item:** Shows the item number.
- **Status:** Shows the status of the quotation as one of the following:
 - Awaiting provider response
 - NDIA has received response
 - Quote has expired
 - Archived
 - Quote is accepted
 - Quote was unsuccessful
 - Quotation open

2. Select **Sort by** to sort the list of quotes by any of these columns. Only one column can be sorted at a time. Use the previous / next page controls at the bottom of the page to move through the list. To return to the previous page, select **Back**.

- To view details for a particular quote, select the quote number under the **Quote ID** column.

The **Quotation Details** screen displays. It allows you to enter your quotation response and upload any documents directly to the quote request.

- Select the **View quotations** button to return to the list of quotations.

Note: For plans migrated from the NDIS trial only, there has been a temporary change to the **myplace** provider portal to bypass the quotation process. This has been implemented to allow payment requests to successfully be processed.

Respond to a quote

1. To respond to a quotation request, complete the fields in the **Quotation response** tab:
 - **Supply details:** Enter all relevant information about the supply of the item or service.
 - **Specifications:** Record the conditions of the quote.
 - **Inclusions:** Enter all items that are included in the quote.
 - **Specific exclusions:** Record any items that are excluded in the quote.
 - **Price per unit:** Enter the total price of the quote per unit (excluding GST).
 - **Quantity:** Specifies the item quantity.
 - **GST per unit:** Record the GST amount.
 - **Terms of quote:** Select the number of days that the quote is valid for — either 30 days or 60 days.

The screenshot shows the 'Quotation response' tab in the NDIS provider portal. The form is titled 'Quotation response' with a help icon. It contains several input fields for 'Supply details', 'Specifications', 'Inclusions', and 'Specific exclusions', each marked with a red asterisk. The 'Price per unit' field has a '\$' symbol. The 'Quantity' field is pre-filled with '2.00'. The 'GST per unit' field has a '\$' symbol. The 'Grand total' is displayed as '\$0.00'. The 'Terms of quote' section has two radio buttons: '30 Days' and '60 Days', with '60 Days' selected. At the bottom, there are three buttons: 'View quotations' (blue), 'Save' (green), and 'Next' (green).

Select the **Document name** if you want to download and view the document. You will be taken through a set of document download instructions.

Select 'Remove' under **Actions** if you want to remove the document from your list of documents. You will be shown a message asking you to confirm your intention to remove the document from your list — either 'Yes' or 'No'.

You are about to remove this document from this quotation. Are you sure?

[NO](#) [YES](#)

- To upload a document, select the **Upload document** button. A **Document Upload** window displays.

A list of 'Available documents' is shown at the bottom of the window. These are documents that have previously been linked to this quote.

Available Documents ?			
Showing 1-1 of 1 files			
Reference number	Document name	Description	Date uploaded
707487	Example document	Example description	26/09/2019

Note: Uploaded documents are labelled 'Available documents' when you are viewing the **Document upload** form. The same documents are labelled 'Associated documents' when you view them on other Quotations screens.

- Provide a **Document name** and **Description**.

Note: Use a meaningful short title for the document name, and a description that will help you distinguish this document from other documents in the list.

If the NDIA approves your quote, a service booking is automatically created for you and the participant. You will also receive a message in your **Inbox** informing you that the service booking has been created. The status of the quote changes to **Quote is accepted**.

You will receive a message in your **Inbox** if the quote has been rejected by the NDIA.

Note: The system does not enable you to update and resubmit a revised quote. Where negotiation is required, please contact your local NDIA office prior to submitting your quote.

Referrals

This section allows you to view referrals made to your provider organisation by the Agency.

1. Select the **Referrals** tile on the **myplace** home page.

2. The list of referrals opens.
3. Select **Home** to go back to the **myplace** home page.

The request for service form displays. It comprises eight 'parts' — these are described below. Select the part name you are interested in. You can also select the **Next** or **Back** buttons below the part details to move from one part to another.

Note: Select the **View RFS List** button to display the full list of support coordination requests for service issued to your provider organisation.

The eight parts are as follows:

Part 1&2 displays the participant's name, age, contact details and other information.

Part 3&4 displays the details of the request support coordination provider and the nature of the support coordination request.

Part 5 displays the referrals for assessment that are part of helping the participant to implement their plan.

Part 6 displays details for the participant such as disability information, living arrangements, relationships and supports.

Part 7 displays the participant's goals.

Part 8 displays the participant's funded supports included in the participant's plan.

Accept or reject Support Coordination Requests for Service

The **Referral Decision** can be either 'Accept' or 'Reject'.

1. To accept or reject a Request for Service Form, select the underlined **Request ID**.

Provider Finder

You may need to assist participants to find supports that you can't provide. You can use the Provider Finder to search for providers within a specific area. You can also search by a **Service** (also known as **Professions** in **Registration Groups**).

1. Select the **Provider Finder** tile on the **myplace** home page.

The **Provider Finder** page displays.

2. You can search by different criteria; complete the fields that you wish to search by:
 - At **Name**, if you know the organisation, enter the organisation name (or part of the name) you are searching for, otherwise leave blank.
 - At **Category**, select the profession (e.g. Builder) or **Registration Group** (e.g. Home modification) for the provider from the dropdown list, otherwise leave as 'Any'.
 - At **Near Location**, your organisation address displays. Enter a different address if you want to locate providers in a different area (e.g. use the participant's address if you need a provider close to the participant's home).
Tip: Start entering the address using street number and name, select from the valid addresses that are listed. The more detail you enter, the more refined the list.
 - At **Within**, select the radius of the search. This radius is based on the address in **Near Location**.
3. Select **Search**.

The results of the search display.

4. Use the pagination functions to move through the results.

Upload evidence

For some processes (e.g. Quotations, NDIA Registrations) you need to provide additional information to the Agency. **Upload Evidence** provides this capability. This area enables you to upload documents to the NDIA.

Important Note: Do not use this function to upload evidence related to registration in states/territories that have transitioned to the NDIS Quality and Safeguards Commission. You must upload Commission evidence using the Commission portal.

1. Select the **Upload Evidence** tile on the **myplace** home page.

2. The **Document Upload** page displays.
3. Type in the **Document Name** (a meaningful name for you) and **Description** (what it contains).
4. Select **Browse** to locate the document on your computer.
5. Select the **Upload** button.

Note: Your uploaded documents will display under the **Available Documents** heading.

Note: You are not able to associate the document with an individual participant. If the document needs to be associated with the participant, please contact us on 1800 800 110.

Note: You are not able to open the document from within the portal, or remove it from the system after it is uploaded. If you uploaded the wrong document, please contact us on 1800 800 110.

Tip: Use meaningful document names and description. For example, put the type of document (e.g. Home Modification Plan) in the Document Name, and the Participant's NDIS number in the Description.

Tip: Ensure you retain a copy of the uploaded file and are able to relate your copy to the Document Name and Description.

Downloads

You can download in just one report information about all the service bookings you have with active participants as well as information about all the participants that you have service bookings with and who have given the NDIA consent to share their plan with you. You can also download a list of your quotation requests.

1. Select the **Downloads** tile on the **myplace** home page.

2. After you click the **Downloads** tile, you will see a new tile screen with three options:

- **Download Service Bookings**
- **Download Quotations**
- **Download My Participants.**

Download Service Bookings

This tile allows you download reports listing all the active service bookings you have with participants.

1. Select **Download Service Bookings** to request and download a report containing your service bookings information.

The **Download Service Bookings** screen displays, listing all service bookings that were active for your organisation in the 90 days to today's date.

Note: If you are downloading reports to identify any service bookings that have expired or are about to expire, to determine if they have been extended by the 28-day plan auto-extension feature, you should filter the report by plan end date in Excel.

- Multiple reports can be requested on the same day.
- Pagination at 10.
- Format selection available on clicking the download button.

- When you select **Download**, an **Acknowledgement** window will pop up. Check the box to show you agree and will adhere to the acknowledgement regarding use of the information in the report that you are about to download.

After you check the **Acknowledgement** box, the popup window will expand to display a number of file format download options.

You have a choice of 4 format types depending on your business needs. They are:

- Print Friendly — a format that allows you to view the data as a printable, readable report. If you wish to, you can use this format to output a PDF version; you will need to select to 'print to PDF' if this function is supported by your computer
- CSV (Comma Separated Values) — typically used to open as a spreadsheet for sorting and filtering the data. Note that this download has two heading rows
- XML (eXtensible Mark-up Language) — a format for importing into business systems
- JSON (JavaScript Object Notation) — a simple format for importing into business applications

Download Quotations

This tile lets you download a list of all your quote requests.

1. Select **Download Quotations** to request and download your quote requests.

The **Download Quotations** screen displays a list of all quotes received by your organisation in the previous 90 days. If none were requested, no list will be displayed.

A screenshot of the 'Download Quotations' web page. At the top, a purple header bar contains the title 'Download Quotations' and the subtitle 'Request and download my Quotations information'. Below the header, there is a section titled 'Download Quotations - Help' with a question mark icon. The text below says 'Request a download of my Quotations that were active in the last 90 days.' and there is a green 'Request Download' button. Underneath is a section titled 'List of Downloads' which contains a table with five columns: 'Requested At', 'Start Date', 'End Date', 'Generated At', and 'Action'. The table has two rows of data, each with a 'Download' button in the 'Action' column. At the bottom left of the page is a blue 'Back' button.

Requested At	Start Date	End Date	Generated At	Action
16/07/2019 17:48	17/04/2019	16/07/2019	16/07/2019 17:48	Download

2. Select **Request Download**. Or select **Back** to go back to the **Downloads** page.
Note: You can also download one of the reports already listed.
3. When you select **Request Download**, an **Acknowledgement** window will pop up. Check the box to show you agree and will adhere to the acknowledgement regarding use of the information in the report that you are about to download.

4. After you check the **Acknowledgement** box, the popup window will expand to display a number of file format download options.

You have a choice of 4 format types depending on your business needs. They are:

- **Printer Friendly** — a format that allows you to view the data as a printable, readable report. If you wish to, you can use this format to output a PDF version; you will need to select to 'print to PDF' if this function is supported by your computer

- CSV (Comma Separated Values) — typically used to open as a spreadsheet for sorting and filtering the data. Note that this download has two heading rows
- XML (eXtensible Mark-up Language) — a format for importing into business systems
- JSON (JavaScript Object Notation) — a simple format for importing into business applications

Download My Participants

This tile lets you download a list of participants that you have active service bookings with. The download expires 24 hours after the report is requested to ensure the data is always up to date.

Important note: You will only be able to access information for participants who have given your organisation their consent to access their information. The information will in turn be restricted to:

- Participant name
- NDIS number
- Plan number
- Plan start date
- Plan end date
- Gender
- Interpreter required.

1. Select **Download My Participants** to request and download your participant's information.

The **Download My Participants** screen displays listing any reports requested by your organisation in the previous 24 hours. If none were requested, no list will be displayed.

2. Select **Request Download**. Or select **Back** to go back to the **Downloads** page.

Note: You can also download one of the reports already listed.
